

Undergraduate Curriculum Change Memo

Date: 3/7/22

From: Charles Spencer, Department of Biological Sciences

Through: Bruce Cushing, Department of Biological Sciences

Through: Robert Kirken, College of Science

To: Andrew Fleck, Chair University Undergraduate Curriculum
Committee

Subject: Pre-requisites for BIOL 4319

When BIOL 4319 was added to the catalog, pre-requisites were not included. This is being added now to correct the catalog to our practice and remove the DP hold that was otherwise used. The pre-requisites requested provide the best preparation leading to success for students taking this course.
