Undergraduate Curriculum Change Memo

Date: 3/3/2022

From: Charles Spencer, Department of Biological Sciences

Through: Bruce Cushing, Department of Biological Sciences

Through: Robert Kirken, College of Science

To: Andrew Fleck, Chair University Undergraduate Curriculum Committee

Subject: Renaming BIOL 3357

Due to changes in the direction of the Department and with the relocation of the Forensic Science program to Chemistry, we propose to rename BIOL 3357 – Forensic DNA Analysis to BIOL 3357 – DNA Structure and Analysis to avoid confusion with the new Chemistry program and to better represent the content of the course.
CURRICULUM PROPOSAL

APPROVAL PAGE

Proposal Title: Rename BIOL 3357

College: Science  Department: Biological Sciences

DEPARTMENT CHAIR- Bruce Cushing

I have read the enclosed proposal and approve this proposal on behalf of the department.

COURSE CHANGE FORM

All fields below are required

College:  Science  Department:  Biological Sciences

Rationale for changing the course:
Due to changes in direction of the Department and the relocation of the Forensic Science program to Chemistry, we are proposing to rename this course to more specifically reflect the content of the course.

All fields below are required

Subject Prefix and number BIOL 3357

Course Title  Forensic DNA Analysis
