RE: Curriculum update for the BBA in Accounting

The department seeks approval to update the accounting curriculum. The curriculum updates will modify course offering for BBA in Accounting students and includes the alternative between QMB 3350 **or QMB 3301** to satisfy the statistics and data analytics requirement for students in the Accounting Major.

The accounting faculty examined the updated syllabus for QMB 3301 and agreed that it would provide adequate preparation for students pursuing a degree in accounting, similarly to QMB 3350 that is already a required class for BBA Accounting students.

Bachelor of Business Administration (BBA)

The College of Business Administration, with departments of Accounting and Information Systems, Economics and Finance, and Marketing and Management, offers a BBA degree with the following majors: Accounting; Information Systems; International Business; Economics; Finance with concentrations available in General Finance, Financial Analyst, Risk Management, and Commercial Banking; General Business with concentrations in General Business and Secondary Education; Management with concentrations available in Entrepreneurship, General Management and Human Resource Management; Marketing; and Operations and Supply Chain Management.

Policies Concerning Admission to and Completion of BBA Degree Programs

1. Students entering the College of Business Administration will be designated as (CBUS) until they have sufficient competency in English and Mathematics (completed RWS 1301 or higher and MATH 1320 or higher).
2. Students meeting the College admissions requirements will be designated as General Business (GENB) and must file a degree plan in the Office of the Dean.
3. Admission to another major option program is limited to those students who meet the following requirements:
 - Completion of the Non-Business Foundation Requirements and the Business Foundation Requirements as described in the Undergraduate Course of Study for the Bachelor of Business Administration.
 - Completion of the following courses (or their equivalent) with a minimum grade of C:

<u>QMB 2301</u>	Fundamentals of Bus Statistics	3

Course List

- An overall GPA of 2.0 or greater in all hours attempted.
4. Upon completion of requirements in item 2, the student will be admitted to one of the specialty major option programs offered by the College of Business Administration. Upon admission, the major code will be changed from General Business (GENB) to the major option code for the program.
 5. Concurrent enrollment in lower-division courses in item 3-b and upper-division business courses is allowed only once upon written permission of the Office of the Dean.
