**Proposal Title:** Change in the Titles of QMB Courses

---

The two QMB courses listed as QMB 2301 and QMB 3301 have gone through many developments in the past couple of years. Following discussions between Dr. Payne, Dean of College of Business administration, and the faculty teaching QMB classes, it was suggested to change the title of the two courses to Business Statistics and Analytics I and Business Statistics and Analytics II to reflect the new developments in the courses' content and the continuity in the topics covered in the courses.

Current Course Number	Current Course Title	Proposed Course Title
QMB 2301	Fundamentals of Business Statistics	Business Statistics and Analytics I
QMB 3301	Quantitative Methods in Business	Business Statistics and Analytics II
