**As a new graduate student, you will be asked to complete a variety of compliance trainings. This brief presentation will:**

1. Explain why;
2. Describe them;
3. Provide resources.

**The Graduate School is committed to fostering an inclusive, safe, and diverse culture of graduate education in the UTEP community.**

With that in mind, please:

- ***take care of yourself,***
- ***get help when you need it, and***
- ***be intentional about your professional development.***

## So why do you need compliance trainings?

- Federal Law & Policies
- State Law & Policies
- UT System & UTEP Policies
- To address persistent social problems, ethically pursue knowledge, and foster a safe, inclusive campus
