Why Should I Attend Graduate School?

If you enjoy reading, solving problems, exploring new ideas or discovering new facts, consider a graduate education. An advanced degree will open doors to greater earning power, job satisfaction, and more career possibilities.

Note: Data are for persons age 25 and over. Earnings are for full-time wage and salary workers.
Source: U.S. Bureau of Labor Statistics, Current Population Survey.

Pros of Attending Graduate School:

- Professional & career advancement
- Job security
- Discovery & pursuit of knowledge
- Teaching opportunities at college level
- Empowerment to make a difference
- * Develop analytical, communication, and research skills

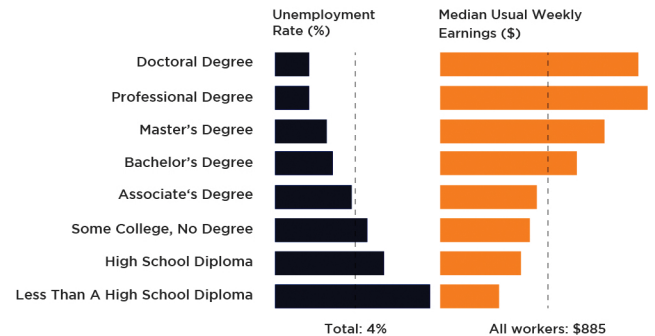

Things to Consider:

- Admission is highly competitive
- Requires discipline and time management
- Stressful but highly rewarding
- Completion of a graduate degree requires:
 - Emotional maturity
 - Academic Writing
 - Intense commitment of time and resources
