

Honors Senior Graduation Clearance

Congratulations on your upcoming graduation! We are proud of your dedication to your academic and professional ambitions. In order to receive honors recognition, please review the information below and submit a Senior Graduation Clearance Form to UHP by the specified deadline. To allow UHP to verify UHP recognition properly and adequately supply regalia for Pre-commencement and Commencement ceremonies, please submit before the deadline.

To receive Honors Recognition at graduation, you must have completed the following requirements:

- Maintained minimum cumulative GPA of a 3.3 (if you entered UHP before or within Spring 2021) and 3.5 (if you entered the UHP within or after Summer 2021).
- Completed a minimum of 4 High Impact Practices for the University Honors Degree

Honors recognition at commencement and upon completion:

- University Honors Degree
 - Recognized at commencement by the wearing of a gold stole
 - Overall Honors Recognition on Transcript

After graduation, please allow from six to eight weeks for UHP to confirm your student record with the Registration and Records Office.

Upon confirmation, UHP will provide you with a signed copy of your Senior Clearance Form along with a verification of the honors courses that you have been given credit for. Carefully review your Senior Clearance Form copy and contact UHP immediately if there are any course discrepancies.

UHP will notify students on the cost and details of where to pick up graduation regalia.

I, _____, acknowledge that I must meet all of the stated requirements above to receive honors recognition on my transcript. I understand that it may take up to eight weeks for the final honors credit to reflect on my official transcript.
