General Information

College: Nursing
UHFC Representative: Dr. Shalla Copeland
Email: smcopeland@utep.edu
Location: Health Sciences and Nursing Bldg.

Admittance: College of Nursing Students
Application: By invitation only and the process is conducted electronically
UHP Manager: Monica Martinez
Main Website: https://www.utep.edu/honors/
Main Contact Email: uhpnetwork@utep.edu
Main Office: (915) 747-5858 I UGLC Room 302
Instagram: utep_honorsprogram

Application Eligibility – The students must meet the following requirements

- Have a cumulative GPA of 3.5 and above
- Have at least 4 semesters remaining before graduation (summers are included)
- Students get into the program by invitation only based on the requirements mentioned above

If you meet the requirements mentioned above, the next step is to submit your application for the College of Nursing Honors Program to the main office. Further details can be found below.

- Students receives an invitation with the application form link
- Fill out and submit an electronic application form
- Attend an orientation session when notified via email
- Submit your member agreement (link will be provided)

  NOTE: The member agreement will be signed and submitted to UHP upon entry to the program. Any changes in the program will be acknowledged to the student by email
- Await contact from the UHP office regarding your acceptance into the program

What to expect when entering the University Honors Program (UHP)

- Early registration access is available to all active Honors students
- You have the chance to apply for scholarships exclusively available to Honors students
- You'll have the opportunity to connect with fellow Honors students, becoming part of a vibrant Honors community
- Enjoy exclusive events tailored for Honors students
- Upon graduation and completion of all requirements, student will be recognized with an Honors Degree
To earn the Nursing Honors Degree, students must fulfill the following requirements:

1. **Completion of Forms**
   All forms are submitted electronically, via MineTracker. Students must complete a total of 13 forms: 4 Event Forms, 4 Notice Forms, 4 Completion Form, 1 Senior Clearance Form. All forms can be accessed [here](#).

2. **Academic Requirements**
   Maintain a minimum 3.5 cumulative GPA

3. **Terms required to complete with The University Honors Program (UHP)**
   Students must complete a minimum of 4 full terms within the UHP. Failure to complete this requirement will result in Honors degree not being awarded.

4. **Completion of College Requirements**
   Each college has specific requirements tailored to your field of study. To graduate with an Honors Degree, students must engage in a total of 4 Edge Experiences/High-Impact Practices at their own pace by the designated deadline. For each experience, students need to submit both a notice and a completion form, resulting in a total of 4 notices and 4 completion forms to be completed and submitted. To receive full credit, all 8 forms must be approved.

   Remember, the same activity cannot be credited twice if it was performed at the same location with the same team. Additionally, one single activity cannot be split into two different Edge Experiences/High-Impact Practices. The focus is on the variety of activities performed, not the time spent on a single activity. However, this rule applies to all activities and colleges, some do require a minimum of time to receive credit.

   Each college has specific preferences or requirements regarding each activity. Failure to meet these requirements will result in the non-approval of your submission.

   - 4 Edge Experiences/High-impact practices must be completed
   - Once the student starts an Edge Experience, submitting a High Impact Practice Notice form is required
   - Once the experience is completed, a High Impact Practice Completion form is required
   - Edge Experiences completed before joining the UHP can count towards completing the credit requirement if the student submits a Notice and Completion Form as proof. Required GPA must be maintained during and at the time of completion
   - Once the forms are given a ‘thumbs up’ and ‘approved,’ the student must submit the forms in the Minetracker Path to receive full credit. Failure to complete this two-step process will result in not receiving approval for the activity

   Edge Experiences allowed by your college are listed below. Activities can only be performed while in the Honors Program to receive credit.

**Student Leadership** – Allowed multiple times during college. To receive credit for this activity a student can complete any of the following: In Phase 1 students must be involved in the Student Government Association and maintain membership throughout the program or in Phase 1 or 2 students must be a student officer within a registered student organization for at least one year or starting in Phase 3, the student must be a member of the TNSA and must maintain membership throughout the program; an officer position is preferred.
**Professional Preparation** - Allowed once during college. To receive credit for this activity students are required to complete 5 activities from the career center. These activities should be meaningful in the professional preparation development and must be completed within a year.

**Community Engagement** - Allowed once during college. This activity can only be completed in Phase 3 and the student must complete 40 volunteer hours as a member of the Texas Nursing Student's Association (TNSA). Only one notice form is required to be submitted for all activities completed. Community service hours completed outside of TNSA or on The Cue platform will not be counted. Nursing honors students can only complete volunteer hours through TNSA, and membership is required.

**Capstone Experience** – Allowed once during college and can only be completed in Phase 3.

**Internship** – Allowed once during college and can only be completed in Phase 3. To receive credit for an internship (intern or extern) within a clinical practicum, the activity must be completed within the academic or pre-professional field.

**Student Employment** – Allowed twice maximum during college. The student should not be employed at the College of Nursing, as this would be considered a conflict of interest. To receive credit for student employment, it must be on-campus and work in the same place for at least 1 year.

**Creative/Scholarly Activities** – Allowed multiple times during college. To receive credit for scholarly or educational activities the student must complete 20 hours. This could be from various learning opportunities such as attending a conference, workshop, or event related to the nursing profession. This activity requires pre-approval and a notice form to be completed and submitted within at least 48 hours before the event.

**Study Abroad/Away** - Allowed twice maximum during college; can be any UTEP study abroad program.

5. **University Honors Program (UHP) Group Event Participation**
The UHP is a learning community and requires Honors students to participate in events with other Honors students. All students of the UHP are required to participate in 4 events with other Honors students. The UHP plans and organizes several events of its own every semester and announces these events in advance. We encourage Honors students to attend these UHP events, but we also allow students to select other interesting and meaningful UTEP events that might better fit their schedules. Students who attend non-UHP events should find at least two other Honors students to attend the event with them; the students must then submit information about their attendance through **Honors Event Form** on MineTracker. Before Honors graduation, approval of a total of 4 event forms is required. You can find detailed information and the steps necessary to receive credit for these events at [www.utep.edu/honors](http://www.utep.edu/honors) by selecting 'Community Events.' Please note that while we encourage participation in as many UHP Group Events as possible, we also emphasize the importance of maintaining a balanced school-life schedule.

6. **Graduation Clearance for the Honors Degree**
Students are required to submit a **Graduation Clearance Form** by the deadline specified by the main Honors office. This form must be submitted during the last semester before graduation and to receive credit it must be approved by the main office. These deadlines are not flexible; some university offices impose deadlines that the Honors program must meet. Late submissions may result in the student not receiving Honors recognition. If a student is graduating in the summer but participating in the Spring commencement
ceremony, the necessary documents must be submitted according to the UHP Academic Spring calendar due dates. Similarly, if a student is graduating in the summer but participating in the Fall commencement ceremony, the required documents must be submitted based on the UHP Academic Fall calendar due dates.

UNIVERSITY HONORS PROGRAM RECOGNITION

1. Honors Degree recognition on the transcript
2. Honors Convocation recognition in April every year
3. Recognized at commencement by the wearing of gold stole and pin
4. Commencement booklet mention

For more information visit the UHP website or contact the UHP main office.
