Where do I Enroll?

How long do I have coverage for the fall 2022 semester?

The Student Health Insurance Plan coverage will commence on August 15, 2022, and will end on December 31, 2022.

How do I know that I have coverage?

Your coverage will be activated when you complete the enrollment AND your *appointment for the semester is active in the system.

Where is my insurance ID card?

Medical: If you have had SHIP coverage in the past, your same insurance ID card will be valid through the coverage dates listed. You may continue to use the same ID card. If it is your first time enrolling, your ID card will arrive by mail about 3-4 weeks after your submission. Please make sure your address on file is correct to ensure delivery. If you ever need a replacement ID card, please call BCBSTX at 1-855-267-0214 or log in to www.bcbstx.com/member to print a temporary card if needed right away.

Dental: Please contact Delta Dental or visit their website (contact information provided below)

Vision: Please visit Superior Vision’s website. An insurance card is not required at your time of visit.
Can I add dependent(s) to my coverage?

Yes. For SHIP medical (after your insurance is activated) you may contact Academic Health Plans at 1-855-247-7587, and they will provide guidance and rates. If you'd like to add a spouse and/or dependent(s) to dental and/or vision, you will need to set up an appointment with a UT El Paso Benefits Specialist (in the Office of Human Resources) to complete an Enrollment Form.
