NOTES:
©2015 National Association of Colleges and Employers

The UT System has developed seekUT to provide valuable data about employment earnings for the first five years after graduation, as well as average student loan debt for graduates by degree major.

• View information about your degree major with this free, on-line tool.
• Get real data about employment earnings based on more than 210,000 UTEP and other UT institution graduates working in Texas.
• Explore graduate school data, too.
