## UNIVERSITY POLICY STATEMENTS

### Incompletes, Withdrawals, Pass/Fail

Incompletes, Withdrawals, Pass/Fail: Incompletes or “I” grades will be considered for students completing satisfactory or better work and having serious, legitimate situations beyond their control requiring additional time to complete the course requirements. All “I” grades are at the instructor's discretion and the Department chair's approval. Students are responsible for withdrawing from this course if that procedure is elected. Withdrawals must be completed on or before the final date to drop a course with a W. Students missing this deadline will be issued a grade for their performance on the course.

### Plagiarism/Academic Dishonesty

Cheating/Plagiarism: Cheating is unethical and unacceptable. Plagiarism is using information or original wording in a paper without crediting the source of that information or wording: it is also unacceptable. Do not submit work, images, writing, or prints that are not your creative output, including the use of AI. If an image appears on Google or in another image source and you copy that image, it is plagiarism. You may not submit work for this class that you did for another class. If you are found to be cheating or plagiarizing, you will be subject to disciplinary action, per UTEP catalog policy. Refer to <http://www.utep.edu/dos/acadintg.htm> for further information.

- Opportunity to make up field/lab work
- Rescheduling of tests or exams
- A larger desk or other adaptive furniture

The [COVIDaction@utep.edu](mailto:COVIDaction@utep.edu) is still active and is an available resource for those who don't know what to do in COVID-19-related incidents. In addition, even though self-reporting is not required, we recommend that individuals report and receive guidance based on the CDC guidelines. ### **INSTRUCTOR'S POLICIES**

## Attendance/Participation

Attendance, punctuality, participation and appropriate class conduct are crucial. Failure to perform to required standards will result in strong grade penalties and can cause failure of this course.

- Each student is permitted 2 absences during the semester without penalty (This statement does not include critique days.) Students with more than 2 absences should consider dropping this course and retaking it at a time when the student can commit the proper attention to the course.
- Each unexcused absence after 2 will result in the final course grade being lowered by 1 full letter grade. Absences after the first 2 can be excused only if the first 2 absences are excused.
- Excused absences are defined as documented illness or serious illness or death in the immediate family.
- Coming to class late or leaving early is unacceptable. All students are required to attend class on time and to remain in the class the entire time. Entering class late and leaving early is disruptive, disrespectful and sets an intolerable standard for everyone.
- 3 X ½ hour or less late = 1 absence
- More than ½ hour late = 1 absence
- Coming to class unprepared or attending class and not working is regarded as absent.
- Information missed during an absence is the sole responsibility of the student.
- Final Attendance Grade will be calculated at the end of the semester.

Students must log onto Blackboard daily and attend face-to-face meetings according to the schedule provided at the beginning of the course. If an emergency occurs and you must be absent, you must show proof/or documentation of the event for your absence to be excused. Absences may be excused with proper notification for documented serious illness, documented COVID issues, documented child-care emergencies, documented death in the immediate family, or documented university-sanctioned events. Scheduled appointments, transportation problems, and job demands are not excused absences.

**Unexcused absences and late arrivals to class will be counted against your overall grade.**

## Course Communication

Please check the top of the syllabus for days and times. I will only answer emails Monday through Friday from 8-5 am. I will not be available during weekends. I suggest maintaining all communication through Blackboard, so please try to make this your first option for communicating with me. Announcements will be made weekly via Blackboard for reminders of possible events occurring during the upcoming week. Check Blackboard daily.

## Community Atmosphere

Studio courses involve constructive dialogue between classmates and the instructor. We can learn much from one another through open communication and collaboration during class. Communication is important in this class. If you ever need anything in class, do not hesitate to communicate. Listening to your peers, asking questions, joining discussions, and actively engaging in class activities benefit everyone's learning experience and will positively affect your grade. Lastly, each student will clean their work area at the end of each class.

Constant focus on your projects during class is expected. This is part of your participation grade. Any student creating distractions for other students or constantly moving in or outside the studio for no reason will be marked as late or absent.

Breaks: For in-person classes, we will have a ten-minute break about halfway through class for lunch, checking emails, chatting, etc.

### **Electronics Policy**

Electronics will be used at the instructor's discretion. However, there will be ZERO tolerance for constant texting, or any electronic distractions not related to the course content. If you need to take a call, you can simply step outside of the classroom. Any student not complying with this policy will be marked late or absent.

### **Recommendation Letters/References**

I will be more than happy to give a recommendation letter or reference only when the following criteria are met:

- The student has taken and finished one or more courses with me as the instructor
- The student passed the course(s) with an A letter grade (100>99)

### **Coursework and Assessment**

- Projects are the main core of this course. Constant practice is key to continuing to improve your drawing skills. There are expectations to work outside class time to finish the projects, so keep this in mind.
- Critiques and portfolio reviews are essential to this course so that they will have no make-up option. These are equivalent to exams. Guidelines will be explained later in the semester.
- A digital portfolio will be submitted via Blackboard.

### **Make-up Work/Late Assignments/Unfinished Submissions**

- Make-up work or late assignments will be accepted at the instructor's discretion.
- Unfinished submissions (if accepted by instructor) will receive a grade not higher than 79-70 (C, Keep Experimenting).
- Any student arriving late to a group critique will receive a grade not higher than 79-70 (C, Keep Experimenting) to their portfolio/critique grade.
- **ALL ASSIGNMENTS MUST BE COMPLETED and DISPLAYED DURING CRITIQUE DAY TO QUALIFY FOR FULL CREDIT.**
- **NO EXCEPTIONS WILL BE GIVEN FOR ANY GROUP CRITIQUE.**
