Instructor's Introduction

Tom Birkner, is a painter with a BA from Rutgers University and an MFA from The Pennsylvania State University. Before coming to UTEP, he taught at Drew University, Madison, NJ and at Parsons The New School for Design in NY and Paris. Tom's work is widely exhibited and he is represented by Paul Thiebaud Gallery, San Francisco, and Gerald Peters Contemporary, Santa Fe.

Course Description

Painting II is a course focused on fundamentals. We will review the basics of PNTG 1, covering everything from palette set-up, canvas preparation and underpainting, to mixing color, applying it and bringing a painting to completion. There will still be an emphasis on painting things as they appear, and mastering painting's basic elements - drawing, composition, contrast, color, and surface.

However, your primary job is to develop your own subject matter. You will be given assigned projects in the first 3-4 weeks of the semester. They are designed to teach lessons, while also being achievable and varied. But for the remaining time, you will determine your own subject-matter and produce paintings based on your own interests and themes.

Expect to work 4-5 hours per week outside of class time to meet basic requirements.

PNTG on Blackboard

There will be weekly content on Blackboard. **Of particular importance are the readings. This semester we will read *The Shape of Content*, by Ben Shahn and *Painting As A Pastime* by Winston Churchill.** We'll also read various essays that correspond with some of our Gallery Walks.

Course Material Is Subject To Change

The syllabus is a guideline. Changes will occur based on class interests and needs. All changes will be attempts to make the class better.

Course Requirements

10 paintings equaling 130 hours of effort

**Written statement (1-2 paragraphs) on what you want to accomplish this semester
Hand-written sentence from the weekly Blackboard reading (the sentence you like most)**

A total of ten paintings will be due at semester's end. **These are, by far, the most important part of this course and they will count for 90% of your grade.** The writings will count for the rest. **However, at 10% of your grade, failure to do the writing component will result in a drop of a letter grade.**

IMPORTANT NOTE: Your total semester production should equate to approximately 130 hours of work. You are free to dedicate more time to some work than to others. For instance, you can do 4-6 small studies that might take 2 hours each. Then dedicate more time to more important paintings.

Class Critiques and Reviews

There will be three critiques. Individual critiques will occur at Week 4, peer critiques will occur at Week 8, final critiques will occur in finals week. You are expected to have new paintings for each critique. Paintings must show enough progress to be discussed and taken seriously.

To encourage you to develop paintings throughout the semester, **every two weeks, a new painting or significant ongoing progress will be informally reviewed.**

Course Goals and Objectives

- Draw in paint with increased confidence and skill
- Research, collect and utilize multi-faceted image sources
- Use that research to develop exciting painted imagery
- Synthesize color, form, light and space more fully
- Grasp more advanced notions of composition
- Paint in a manner appropriate to a given subject (that's what "style" is)

- Create a series of paintings you can be proud of.

Grading Guidelines

Grading will be based on cumulative effort, improvement and quality. Because skill levels vary, evaluation will be influenced by improvement on an individual basis. Here's a basic outline of grading priorities:

10 assigned and/or series-based paintings 90%
Statement of semester intent and written quotes 10%

Grading Standards

F - Failure
D - Below Average
C - Average
B - Good
A - Excellent

If a more detailed explanation of these standards is needed, just ask and I'll be happy to supply it. For info on attendance and its relationship to grading, please see **Attendance Policy** below.

Technology Requirements

Some course content will be delivered through Blackboard. Ensure your UTEP e-mail account is working and that you have access to the web and a stable web browser. Google Chrome and Mozilla Firefox are the best browsers for Blackboard; other browsers may cause complications. When having technical difficulties, update your browser (unless, of course, your friendly neighborhood tech monopoly won't let you), clear your cache, or try switching to another browser.

You will need to have access to a computer. We will be using Zoom on Blackboard for video meetings. Please log into Blackboard and open this new function to see if your computer is compatible with it. If not, check that your computer software is up-to-date. If it can't be updated, contact the Tech Center at helpdesk@utep.edu

If you do not have a word-processing software, you can download Word and other Microsoft Office programs (including Excel, PowerPoint, Outlook and more) for free via UTEP's Microsoft Office Portal. Click the following link for more information about [Microsoft Office 365](#) and follow the instructions.

IMPORTANT: If you encounter technical difficulties beyond your scope of troubleshooting, please contact the UTEP [Help Desk](#) as they are trained specifically in assisting with technological needs of students. The Help Desk is much better equipped than I am to assist you!

Attendance Policy

Attendance, punctuality, participation and appropriate class conduct are crucial. Failure to perform to required standards will result in strong grade penalties and can cause failure of this course.

- Each student is permitted 3 absences during the semester without penalty. Students with more than 3 absences should consider dropping this course and retaking it at a time when the student can commit the proper attention to the course.
- **Each unexcused absence after 3 will result in the final course grade being lowered by 1 full letter grade.** Absences after the first 3 can be excused only if the first 3 absences are excused.
- Excused absences are defined as documented illness or serious illness or death in the immediate family.
- Coming to class late or leaving early is unacceptable. All students are required to attend class on time and to remain in the class the entire time. Entering class late and leaving early is disruptive, disrespectful and sets an intolerable standard for everyone.
- **3 X ½ hour or less late = 1 absence**
- **More than. ½ hour late = 1 absence**
- Coming to class unprepared or attending class and not working is regarded as absent.
- Information missed during an absence is the sole responsibility of the student.

Course Participation:

- Participation in all discussions, critiques and class days is required for this course.
- Development and execution of class projects must be done utilizing all class meetings.
- Projects executed solely out of class will not be accepted.
- Participation in the collaborative group environment of the studio is essential to the successful completion of this course.

University Policy Statements

Cheating/Plagiarism: Cheating is unethical and not acceptable. Plagiarism is using information or original wording in a paper without giving credit to the source of that information or wording: it is also not acceptable. Do not submit work under your name that you did not do yourself. You may not submit work for this class that you did for another class. If you are found to be cheating or plagiarizing, you will be subject to disciplinary action, per UTEP catalog policy. Refer to <http://www.utep.edu/dos/acadintg.htm> for further information.

Disabilities: I will make any reasonable accommodations for students with limitations due to disabilities, including learning disabilities. Please see me personally before or after class in the first two weeks or make an appointment, to discuss any special needs you might have. The Student Health Center is equipped to provide COVID 19 testing.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area, and will be available at no charge on campus during the first week of classes. For more information about the current rates, testing, and vaccinations, please visit epstrong.org
