

## ARTE 2307: FOUNDATIONS OF ART EDUCATION

Please note that this syllabus is subject to change.

**COURSE INFORMATION** Term: Spring 2026

**Delivery Method:** In-Person

**Meeting Time:** 8:30–9:50am, Mondays and Wednesdays

**Location:** Fox Fine Arts Building, Room A463

**Instructor:** Dr. Lisa Novak

**E-mail:** lvnovak@utep.edu

**Office Phone:** (915) 747-5862

**Office:** Fox Fine Arts, Room A461a

**Office hours:** M + W: 7:30-8:30am and by appointment

### COURSE DESCRIPTION

This course is an introductory course for students who are curious about or interested in pursuing a career in art education. Various sites of art education beyond the public school will be explored in order to paint the field of art education with a broad brushstroke. Foundational questions specific to the field will be explored to understand what ideas constitute the field and to imagine where the field might be headed in the future.

### COURSE PREREQUISITES

This is the initial class in the art education sequence. There are no prerequisites. Students should be enrolled in the Art Education minor, or students considering art education as a possible career path.

### COURSE GOALS & OBJECTIVES

- Students will explore, discuss, and answer essential questions of art education through reading, artmaking, and writing.
- Students will identify and discuss the various sites of art and art education both in theory and locally.
- Students will be able to name and define the four professional practices that are foundational to art education discourse and to art education in Texas.
- Students will develop a research practice that will inform their curriculum and instructional practices
- Students will plan and implement an art educational experience to explore and discuss different perspectives and methods of teaching and learning as they relate to art and education

### COURSE OUTCOMES

- By making art, reading, and writing, students will answer essential questions of art education

- Students will create visual artifacts, discourse, and curriculum in response to sites of art and art education
- Students will articulate their own answers to four questions about the domains of art education through writing, artmaking, discussion, and public engagement
- Students will locate and collect resources for contemporary art and curriculum
- Students will teach and learn about a contemporary artist and connect their work to the development of art experiences in a local art gallery

## REQUIRED MATERIALS

There are no textbooks required for this class. All readings essential to this course will be provided to you either in class and/or online on Blackboard.

ASSIGNMENTS AND GRADING		
	Cartonera	20%
	Research Presentations	20%
	Public Project	30%
	Individual Post-Project Reflection	10%
	How-to Zine	10%
	<b>Total</b>	<b>100%</b>

Course assignments include maintaining a “cartonera” of explorations, reflections, and research (broadly defined); presenting research on artists based on a specific theme; developing and co-hosting intergenerational art workshops for the public; writing a personal post-project reflection that documents your process, learning outcomes, and includes photographic evidence of your art engagement; and exploring zines as a format for creating effective teaching and learning guides. Detailed assignment guidelines and rubrics will be provided in class.

**PLEASE NOTE: ALL ASSIGNMENTS ARE SUBJECT TO CHANGE AND INCLUDE MULTIPLE COMPONENTS THAT ARE NOT FULLY LISTED HERE.**

## TECHNOLOGY REQUIREMENTS

It is necessary for you to have access to the internet and Office365, including Microsoft Word and PowerPoint. As your projects progress, you may also require access to Adobe Express, Canva, Padlet, or other design and presentation software. All the programs listed should be freely accessible to you using your UTEP email address and login details.

The syllabus, assignment outlines, texts, resources, and all other relevant course content will be distributed in class, but they are also available online via the Blackboard learning management system. Ensure your UTEP e-mail account is working and that you have access to the internet and a stable web browser. Google Chrome and Mozilla Firefox are the best browsers for Blackboard; other browsers may cause complications. When having

technical difficulties, update your browser, clear your cache, or try switching to another browser. If you have difficulty accessing any of the above, do not hesitate to contact the UTEP Help Desk at [helpdesk@utep.edu](mailto:helpdesk@utep.edu) or by calling 915-747-4357, as they are trained specifically in assisting with technological needs and are much better equipped than I am to help you.

## **MAKE-UP WORK**

Make-up work will be given *only in the case of a documented emergency*. Note that make-up work may be in a different format than the original work, may require more intensive preparation, and may be graded with penalty points. *If you miss an assignment and the reason is not considered excusable, you will receive a zero*. It is therefore important to reach out to me—in advance if possible—and explain with proper documentation why you missed a given course requirement. *Once a deadline has been established for make-up work, no further extensions or exceptions will be granted*.

## **COURSE COMMUNICATION:**

Communication is very important to me, so please get in touch should you have any questions regarding deadlines, course content, accommodations, or assignments. Do not wait until the last minute to contact me if you are concerned about anything including absences, assignments, and late submissions. Here are some examples of how we will stay in contact with each other throughout the term:

### **Office Hours**

This term my office hours are Mondays and Wednesdays between 7:30–8:30am. My office is located on the 4<sup>th</sup> floor of the Fox Fine Arts Building near the art education classroom, in office A461a. You can drop by during those hours or, if you prefer to plan ahead, you can schedule a meeting with me by talking to me before or after class, or by contacting me via email ([lvnovak@utep.edu](mailto:lvnovak@utep.edu)). Even though I prefer to meet with you face-to-face, I am more than happy to arrange to meet with you on Microsoft Teams or Zoom, both of which you can access using your UTEP email account.

### **Email**

My UTEP e-mail ([lvnovak@utep.edu](mailto:lvnovak@utep.edu)) is the best way to contact me. I will make every attempt to respond to you *within 48 hours of receipt*. When e-mailing me, please use your UTEP student email account only. *Make sure you address your email to me appropriately, state the topic or reason for your email in the subject line, address and sign your emails properly*, and clearly state your question(s) you may have. Your e-mail should end with your name signed at the bottom.

### **Blackboard Messages**

In addition to email, you are welcome to contact me through the message board on the Blackboard course site. *However, the best and most reliable way to contact me is still via email*. Please ask your peers or IT for assistance if you are unsure how to locate and/or access the course message board on Blackboard.

## **Announcements**

Check the Blackboard announcements frequently for any updates, changes in deadlines, readings, or other important messages.

## **MODELING PROFESSIONALISM**

You are expected to maintain professional conduct at all times in class and out in the community. This includes being on time to class meetings, site visits, group presentations and one-on-one meetings with me. Respect for all members of the class is expected. Please allow for individual differences and opinions.

### **Participation**

Our class meetings are in-person on the 4<sup>th</sup> floor of the Fox Fine Arts building in room A463, every Monday and Wednesday from 8:30 to 9:50am, January 22 to May 6, 2026. Regular class attendance is expected to maintain a respectful, immersive and engaging learning environment. The best way to demonstrate participation is to ensure that you engage critically with all course materials, pose questions and participate in discussions, and take part in other activities as instructed by your professor during class, outside of your weekly lessons, and/as part of your cartonera assignment.

### **Clean-Up**

All Students and future art educators are expected to maintain a clean classroom and be stewards of their community and environment. Cleanup is an important part of any studio, art-based, and collaborative space. As such, you are responsible for disposing and storing materials and cleaning up any residue left on tables and floors at the end of class.

### **Absences**

You are allowed *two absences* for the term without penalty. *For each absence after the second absence your course grade will be lowered by one letter grade (A to B, for example). Three instances of arriving late or leaving class early count as one absence. Arriving 30+ minutes late to class automatically will count as one absence.*

## **SCHOLASTIC INTEGRITY**

Academic dishonesty is prohibited and is considered a violation of the UTEP Handbook of Operating Procedures. It includes, but is not limited to, cheating, plagiarism, and collusion. Cheating may involve copying from or providing information to another student, possessing unauthorized materials during a test, or falsifying research data on laboratory reports. Plagiarism occurs when someone intentionally or knowingly represents the words or ideas of another as ones' own. Collusion involves collaborating with another person to commit any academically dishonest act. Any act of academic dishonesty attempted by a UTEP student is unacceptable and will not be tolerated. All suspected violations of academic integrity at The University of Texas at El Paso must be reported to the Office of Community Standards for possible disciplinary action. To learn more, please visit HOOP: Student Conduct and Discipline.

## GUIDANCE ON ARTIFICIAL INTELLIGENCE

### allowed only with prior permission from instructor

Use of AI technologies or automated tools, particularly generative AI such as ChatGPT or DALL-E, is only allowed with approval from the instructor BEFORE being used. Without permission, you will be expected to think creatively and critically to complete assignments without assistance from these tools.

If given permission to use any of these tools, students must properly cite and give full credit to the program used upon submission of every relevant assignment. For example, text generated using ChatGPT must be cited:

*Chat-GPT(version). Date of query (year/month/day). "Text of your query."  
Generated using OpenAI. <https://chat.openai.com/>*

A short paragraph describing how the tool(s) was/were used for the assignment must be included.

### using ai for brainstorming

Some AI technologies or automated tools, particularly generative AI such as ChatGPT or DALL-E, can be beneficial during the early brainstorming stages of an activity, and you are welcome to explore them for that purpose. However, keep in mind that AI-generated ideas are not your own and may hinder your ability to think critically and creatively about a problem. It is also important to remember that these technologies often “hallucinate” or produce materials and information that are inaccurate or incomplete—even providing false citations for use. That said, you are not allowed to submit any AI-generated work in this course as your own. If you use any information or materials created by AI technology, you are required to cite it like you would any other source. Consider how this will affect your credibility as a writer and scholar before doing so. Any direct use of AI-generated materials submitted as your own work will be treated as plagiarism and reported to the Office of Community Standards.

## PLAGIARISM DETECTING SOFTWARE

Some of your course work and assessments may be submitted to SafeAssign, a plagiarism detecting software. SafeAssign is used to review assignment submissions for originality and will help you learn how to properly attribute sources rather than paraphrase.

## COURSE DROP POLICY

According to UTEP Catalog, “At the discretion of the instructor, a student can be dropped from a course because of excessive absences or lack of effort. A grade of “W” will be assigned before the course drop deadline and a grade of “F” after the course drop deadline.” See Policies and Regulations in the UTEP Undergraduate Catalog for a list of excuse absences. Therefore, if I find that, due to non-performance in the course, you are at risk of failing, I will drop you from the course. This includes excessive absences early in the term. I will provide 24 hours advance notice via email.

## **ILLNESS PRECAUTIONS**

Please stay home if you have symptoms of a communicable illness. If you are feeling unwell, please let me know as soon as possible, so that we can work on appropriate accommodations.

## **INCOMPLETE GRADE POLICY**

Incomplete grades may be requested only in exceptional circumstances after you have completed at least half of the course requirements. Talk to me immediately if you believe an incomplete is warranted. If granted, we will establish a contract of work to be completed with deadlines.

## **ACCOMMODATIONS POLICY**

The University is committed to providing reasonable accommodations to students with documented disabilities. Students who become pregnant may also request reasonable accommodations, in accordance with state and federal laws and regulations and University policy. Accommodations that constitute undue hardship are not reasonable. To make a request, please register with the UTEP Center for Accommodations and Support Services (CASS). Contact CASS at 915-747-5148, email them at [cass@utep.edu](mailto:cass@utep.edu), or apply for accommodations online via the CASS portal.

## **STUDENT RESOURCES**

UTEP provides a variety of student services and support.

Please refer to the QR code for a listing of campus resources or [www.utep.edu/student\\_resources](http://www.utep.edu/student_resources)
