COURSE DESCRIPTION

Advanced Drawing 1: Life Drawing is a studio-based course that introduces students to drawing human figures. Coursework will include direct observation and subsequent drawings from the model, with emphasis on achieving correct form and proportions. Other figurative subjects (students, mannequins, skeletons, etc.) will also be used as references for drawings. The types of drawings to be done in class will include gestures, short studies, and prolonged drawings. Students will explore various media to create their drawings. The time devoted to the practice of drawing will also allow the student to develop and refine the drawing skills introduced in Basic Drawing I and II. Power points and videos featuring figurative artwork that relates to coursework will be given throughout the session. Critical assessment of drawings will be offered through individual instruction, small group critiques, peer critiques, and/or class critiques. Students will be expected to draw with concentration and commitment during class time and complete some out of class assignments.

Please note although we make every effort to schedule a live model for most class sessions, there may be class days when no model is available. In those instances, other figurative source material may be used as subject matter. The instructor reserves the right to modify any aspect of the course syllabus or content. Any modifications will be communicated to students in advance.

COURSE POLICIES

Attendance and Participation: Our class meetings are in-person at Prospect Hall, Room 218, every Tuesday and Thursday from 9:00 am to 11:50 am, beginning January 20 through May 7, 2026.

Therefore, **attendance is critical to class performance.** You are expected to arrive on time and work through the entire class period. There will be a 10-minute break. Attendance will be taken at each class meeting. **All students will be allowed three (3) absences, excused or unexcused.** Students who have three (3) absences before midterm must provide a medical excuse or they will be dropped. A total of four (4) absences will lower the final grade to a full letter grade. **Students will be dropped from the course on the fifth absence.** Students with excessive absences and/or problems with arriving to class on time should consider dropping this course and retaking it at a time when the student can commit the proper attention to the course. Students whose attendance and work that are considered below average may be withdrawn from the class by the instructor. Extenuating circumstance such as COVID issues, childcare emergencies, incapacitating illness, military service, university sanctioned events, accident, or death in the immediate family should be supported by proper notification and documentation. **SCHEDULED APPOINTMENTS, TRANSPORTATION PROBLEMS, AND JOB DEMANDS ARE NOT EXCUSED ABSENCES.** Grades will be lowered by excessive absences and/or tardiness: 4 absences = one grade lower (ex. A to B), each tardy = 1/2 absence. Remember that you are adults and your success in this class is completely in your hands. If you have questions or need help it is your responsibility to see me during my office hours. **Direct all problems or concerns to Professor Guerra, preferably during office hours. *Follow the Chain of Command; talk to your professor before you bring the matter to a department chairperson or dean.**

Student feedback is important and an essential part of participation in this course. The student evaluation of instruction is a requirement for all organized classes at UTEP. Students will receive an email from UTEP Course Evaluations with the survey link. Students should look for the email in their UTEP email inbox.

*****Music or Videos are not allowed during any instruction, lecture, or during critique**

MAKE-UP WORK

Make-up work will be given *only* in the case of a *documented* emergency. Note that make-up work may be in a different format than the original work, may require more intensive preparation, and may be graded with penalty points. If you miss an assignment and the reason is not considered excusable, you will receive a zero. It is therefore important to reach out to me - in advance if at all possible - and explain with proper documentation why you missed a given course requirement. Once a deadline has been established for make-up work, no further extensions or exceptions will be granted.

NO TEXTING! Please turn off your cell phones before entering class. If, because of an emergency, you must have your phone on, inform the instructor, put the phone on silent mode and exit if needed. If it's not an emergency and you are caught texting in class, you will be asked to clean-up and leave. This will count as an absence. TEXT ON YOUR OWN TIME!!!!

ILLNESS PRECAUTIONS

Please stay home if you have symptoms of a communicable illness. If you are feeling unwell, please let me know as soon as possible, so that we can work on appropriate accommodation.

Incompletes, Withdrawals, Pass/Fail: Incompletes or “I” grades will be considered for students completing satisfactory or better work and having serious legitimate situations beyond their control requiring additional time to complete the course requirements. All “I” grades are at the discretion of the instructor and the approval of the Department chair. **Withdrawals must be completed on or before the final date to drop a course with a “W”.** Students missing this deadline will be issued a grade of an “F” for the semester.
