## STUDENT SUPERVISION EXPERIENCE

- Supervisor**      *Disaster Intelligence Analysis Laboratory*      Fall 2022 – Summer 2025
- Managed 20+ undergraduate and graduate students each semester in experiential learning opportunities in intelligence, facilitating successful internships and job placements.
  - Supervised the collection and analysis of OSINT, producing two daily reports and additional emergency reports critical for stakeholder situational awareness and decision-making.

- Integrated ethical considerations into OSINT processes, guiding students through complex moral dilemmas in intelligence work.
- Disseminated tailored OSINT reports to public safety stakeholders, enhancing collaboration and decision-making for law enforcement and emergency management agencies.
- Led OSINT -guided drone operations, improving situational awareness and resource utilization for stakeholders.
- Conducted regular OSINT training sessions, promoting continuous learning, skill development, and ethical responsibility among team members.
- Deployed to the state emergency operations center during critical events like hurricane Idalia, supporting air operations and logistics management.
- Developed professional partnerships with key organizations, including FSU police department, City of Tallahassee emergency management, and the Florida department of law enforcement.
