

Criminal Justice and Security Studies Internship Application

Students interested in an internship opportunity must complete this application and email it to the internship coordinator, at: saordonez@utep.edu.

In order to be considered for an internship, applications must be received for Spring Internships between October 1st and November 1st, or for Fall Internship between April 1st to May 1st.

Internship Application Process:

1. Students must declare the On-Campus Criminal Justice Major or INSS Minor or must be enrolled in the MS-CCJ or MS-INSS Graduate program.
2. GPA Requirements:
Undergraduate students must have a GPA of 2.75 or higher.
Graduate students must have a 3.0 or higher.
3. Students must have completed all required core courses and completed at least two semesters at UTEP.
4. This is a one or two semester internship program depending on the agency (3 hours of credit each semester) - undergraduate students must have upper division elective credits available to be eligible. Graduate students must have free electives available.
5. Submit the Internship Packet which includes the application, an updated résumé with a headshot/selfie (no filters), and the application essay.
6. Once this has been received, if student meets the minimum criteria, the students will be invited for an interview with the Internship Coordinator. At this interview, the student will be able to investigate the nature of the internship and ask questions related to the work experience of the internship.
7. If the application is approved*, the student will receive agency contact information to begin their placement process or they will receive further instructions required by their chosen agency.
8. Spots at agencies are limited and are offered on a first come first serve basis within the needs of the agency.
9. Agencies will make the final determination in terms of the acceptance of the student for an internship.
10. Additional paperwork may be required by particular agencies. Please make sure that you have enough time to submit all paperwork to ensure that you register for the course on time and avoid late registration fees by the university.

Important Note: Once you begin this application process, please check your student email regularly. Failure to respond to communication will be interpreted as a withdrawal of interest.

Visit the UTEP Department of Criminal Justice and Security Studies website to explore agencies you may be interested in.

***Meeting all eligibility requirements does not guarantee an internship placement. Final determination of suitability is at the discretion of the Internship Coordinator.**
