Proposal Title: ANTH 4365 Museum Fundamentals
Course Name, Contact Hours, and Description Changes

The nature of the change is a revised course name and catalogue description that better aligns with the shift in emphasis and its current role within the Museum Studies curriculum. The fundamentals of museum theory and practice are now addressed in ART 3308 Introduction to Museum Studies. Below are the proposed changes.

Proposed Name Change to Material Culture and Museums

Change in Contact Hours from 2-8 to 3

Proposed Catalogue Description

ANTH 4365 Material Culture and Museums (3) Explores theories of material culture and how they relate to the display and interpretation of objects in museums. The course combines readings, class discussions and a semester project in which students combine theory and practice.

These changes will be reflected in Banner, Goldmine, and the catalog
