Proposal Title: Prerequisite Addition to CRIJ 3313 Criminology

It was brought up to my attention that freshman and sophomores are taking CRIJ 3313 Criminology despite being a junior level course. Upon further investigation, it was determined that a prerequisite of "junior standing" is not stated in the academic catalog. Such omission allows freshman and sophomores to take this junior level course. The faculty members of the Department of Criminal Justice would like only juniors and seniors to be allowed to enroll in this course and as such a prerequisite of "CRIJ 1301 with a grade of "C" or better *and junior standing*" is needed for CRIJ 3313 Criminology to prevent freshman and sophomores from taking CRIJ 3313 Criminology.
