**Proposal Title:** Deactivation of Outdated Courses from UTEP Catalog

---

These Military Science courses were identified as significantly out of date in the Fall of 2022, requiring that new course numbers, descriptions, and course titles be generated to replace these courses. As these courses are no longer offered at UTEP, the Military Science Department is requesting that they be deactivated and removed from the UTEP course catalog. Identified courses were removed from all degree plans in the Fall 2022 semester.
