From: Charles Francis Leinberger, Music *C.F.L.*

Through: Steve Wilson, Chair, Department of Music *SW*

Through: Denis O'Hearn, Dean, College of Liberal Arts

To: Chair, Undergraduate Curriculum Committee

Proposal Title: MUSL 2321, Music Culture, and Society

---

MUSL 2321, Music Culture, and Society, was formerly Introduction to Music History. It introduced the student to classical music. It is now a more inclusive course that can include much more than classical music. From the Course Description:

An introduction to the academic study of "music as culture" through and examination of musical practices from around the world. Students will become familiar with fundamental approaches to understanding diverse cultural and societal contexts of music making.

Previous familiarity with classical music, such as MUSL 1324, Music Appreciation, is still a good prerequisite. However, MUSL 1327, Jazz to Rock, also introduces the student to many of the musical concepts that a student may study in more depth in MUSL 2321.
