Proposal Title: ANTH 1301, ANTH 1302, ANTH/SOCI/GEOG 1310, SOCI 1301, Course

Description Changes

The nature of the change is a revised catalogue description that better aligns with the College of Liberal Arts' goal of working toward racial justice. Below are the proposed changes.

Proposed Catalogue Descriptions

ANTH 1301. Intro-Phys Anth/Archeolog.

Introduction to Physical Anthropology and Archeology (3-0) Introduction to the evolution of the human adaptive system with particular attention to the somatic and technological components. The biological development of humans, from 3.5 million year old Lucy to modern Homo sapiens, is discussed and correlated with developments in stone and bronze tools, dwelling types, social groupings, political organizations, etc. It emphasizes the genetic unity of humankind in ways that critically inform discussions of race. The course is not prerequisite to <u>ANTH 1302</u>.

ANTH 1302. Intro-Cultural Anthropology.

Introduction to Social and Cultural Anthropology (3-0) This course will introduce students to basic concepts, theories, and methods in cultural anthropology. It covers concepts used by anthropologists to understand human diversity and different ways of life throughout the world. The course includes a critical focus on race, gender, sexuality, kinship and relatedness, inequality, migration, material culture, and religion.

SOCI 1301. Introduction to Sociology.

Introduction to Sociology (3-0) (Common Course Number <u>SOCI 1301</u>) This course covers foundational terminology and concepts in sociology as they relate to social processes, social institutions, the development of society, characteristics of group life, and social inequalities. The course emphasizes an awareness of social and racial justice.

ANTH 1310. Cultural Geography.

Cultural Geography (3-0) Introduction to cultural elements, their spatial distribution, and their interrelationship to the physical environment. The course emphasizes an awareness of social and racial justice. This course is identical to <u>GEOG 1310</u> and <u>SOCI 1310</u>.

GEOG 1310. Cultural Geography.

Cultural Geography (3-0) Introduction to cultural elements, their spatial distribution, and their interrelationship to the physical environment. The course emphasizes an awareness of social and racial justice. This course is identical to <u>ANTH 1310</u> and <u>SOCI 1310</u>.

SOCI 1310. Cultural Geography.

Cultural Geography (3-0) Introduction to cultural elements, their spatial distribution, their interrelationship to the physical environment. The course emphasizes an awareness of social and racial justice. This course is identical to <u>GEOG 1310</u> and <u>ANTH 1310</u>.
