INTRO TO INDIGENOUS STUDIES

SPRING 2027

In this interdisciplinary course, students will be introduced to the diversity of Indigenous cultures, while focusing on the histories, social organization, sovereignty, settler colonialism, resilience, environmental justice, and other contemporary issues.

ANTH 2300/27422, SOCI 2300/27423, NAIS 2300/27425

Dr. Olga Lauter

T R 10:30 AM - 11:50 AM
