Inviting Everyone: Healing Healthcare through Positive Deviance

List price: \$21.95

Bulk Orders: info@plexusinstitute.org

"The Positive Deviance movement is changing the landscape of how we achieve transformation and change in systems. This book is a big step forward in defining this new landscape."

Peter Block

Author, *Community: the Structure of Belonging*

How can the individual and collective wisdom that already exists within organizations and communities be discovered, celebrated, and harnessed for the greater public good? *Inviting Everyone* tells how people using the social change process Positive Deviance significantly reduced health care-associated infections in the US and overseas. Patient safety, quality of care, and work place relationships also improved. When all people are invited to participate and contribute, productive collaboration and healthy networks expand, and extraordinary things are possible.

"This book gives a voice to the many health workers whose voices are rarely heard and whose ingenuity is often ignored."

Monique Sternin,

Positive Deviance Initiative, Tufts University
