Rock got no reason, rock got no rhyme... You better get me to school on time! Andrew Lloyd Webber's **School of Rock – The Musical** is a two-hour, two-act show (plus intermission), based on the hit movie. The tuner follows Dewey Finn, a failed, wannabe rock star who decides to earn an extra bit of cash by posing as a substitute teacher at a prestigious prep school. There he turns a class of straight-A pupils into a guitar-shredding, bass-slapping, mind-blowing rock band. But can he get them to the Battle of the Bands without their parents and the school's headmistress finding out?
