A MESSAGE FROM THE OLLI BOARD CHAIR

Spring is my favorite time of the year, as it is filled with promise and new beginnings. I think that is especially true this spring. We are finally settling down to enjoy the benefits of our hard work in the fall. Our remodeled lounge looks lovely, and coffee and socializing are more fun in such comfortable surroundings. Members are also enjoying the new technology, checking the internet, podcasts, and events on our computers. Our director, Lynn, now full-time, is able to provide more support to all. And our catalog of spring courses promises a fun semester filled with learning opportunities in a wide variety of subjects. It looks like it will be a wonderful spring, and I hope to see you all in classes!

ABOUT PARKING

You must be an OLLI member for parking benefits.
Your parking hangers or decal permits are good through August 15, 2020.

OLLI students may do one of two things:

1. Park free of charge in remote lot SB7 on Sun Bowl Drive. The WEST shuttle will take you directly to Miners Hall, where OLLI has its offices and holds most classes. You will need a permit to put on your windshield; this will identify you as an OLLI student. If you do not have a decal permit, please apply for one at the OLLI office.

2. You may choose to purchase a permit for the Spring and Summer sessions to park in the Sun Bowl Parking Garage (SBG). The SBG is located across from Miners Hall. To purchase an SBG permit, you must fill out a parking request form when you register. Contact the office about this for Spring and Summer 2020.

Note: Drivers are responsible for keeping permits visible on the dashboard or they may be cited. OLLI will not be responsible for parking citations.
