Application Deadline Cycle 3 (required): Friday, June 14, 2024 (Confirmed)

Supporting Documents: White Paper

▼ Description

This Funding Opportunity Announcement (FOA) invites applications from institutions proposing to establish, or renew, an Alzheimer's Disease Research Center (ADRC).

NIH-designated ADRCs serve as a national resource for research on the nature of Alzheimer's disease (AD) and AD-related dementias (ARDD) and the development of more effective approaches to prevention, diagnosis, care, and therapy. They create shared resources that support dementia-relevant research, and they collaborate and coordinate their research efforts with other NIH-funded programs and investigators.

6. Read the “NOI commitments” and acknowledge the statement. The acknowledgement box needs to be checked to “Save as Draft,” and / or “Submit Application.”

Save or Submit Your Application

Click the Save as Draft button if you would like to return later to complete your application (below left).
Click the Submit Application button when you are ready to submit your application (below right).

Add Other Email Addresses for Notifications

Use the form below to have other email addresses included on all communications.

Enter recipient(s) email address(es):

Separate email addresses with commas

NOI commitments

- Principal Investigator (PI) acknowledges that if not able to submit by the sponsor deadline, PI will notify ls@utep.edu immediately of this decision. Failure to send notification could result in ineligibility to reapply for future cycles of the same limited submission funding opportunity. Persistent failure to submit to the funder, after being internally selected for a limited submission, could result in ineligibility to reapply for future limited submissions.

Save as Draft

Submit Application

You cannot save or submit this application until you check the acknowledgment.
