UNIVERSITY POLICE DEPARTMENT

UTEP ALERT NOTIFICATION TEST

When are the sirens tested?

The system tests take place at 11:25 A.M. on the first Friday of every month, and you do not need to take any action during the test.

Monthly sirens tests will begin and end with the following announcement:

“This is a test of the personal alerting system, this is only a test”

Sound Description: A voice: “Tone” – This is a test of the personal alerting system, this is only a test. In the event of an actual emergency, this system will be utilized to provide you with emergency information.

What should I do during a system test?

You should continue your regular activities during a system test. You do not need to take any special actions during a test.
