SECTION 1
INTRODUCTION

1.1 Description of University

Founded in 1914, The University of Texas at El Paso (UTEP or University) is a vibrant top tier public Research University of more than 25,000 students enrolled in 170 undergraduate and graduate degree programs. Set against the backdrop of the Franklin Mountains in the Chihuahuan Desert, UTEP is located at the heart of the U.S.-Mexico border in one of the largest binational communities in the world. UTEP maintains one of the lowest out-of-pocket costs of any doctoral research university in the U.S., underscoring its commitment to make education accessible to all. Rigorous program and research opportunities help prepare students to make significant contributions to their professions, their communities and the world. UTEP is designated as an R1 university (top tier doctoral university with very high research activity), one of only 130 in the country.

More information regarding the University is available on the Internet at www.utep.edu.

1.2 Background and Special Circumstances

Collection of University’s receivables is of vital interest to both University and its students. However, it is imperative that no ill will is created in the collection of these debts. University placed 3,157 accounts with collections providers during fiscal year 2018/2019. The average balance of accounts placed for fiscal year 2018/2019 was $1,696. The total value of University’s portfolio is in excess of $11.0 million. Placement numbers and dollars vary monthly.

Proposers may review frequently asked questions (FAQs) and the Solicitation Manual at the Miner Mall Sourcing Manager Internet address, www.sourcingmanager.utep.edu.

1.3 Objective of Request for Proposal

University is soliciting proposals for this multi-award bid in response to this Request for Proposal for Selection of a Vendor to Provide Collection Services related to Student Business Services, RFP No.724-2107-JBT (this “RFP”), from qualified vendors to collect delinquent federal loan accounts, delinquent institutional loan accounts, delinquent tuition bills, delinquent tuition installments, and auxiliary enterprise, traffic and library fines (the “Services” or the “Work”). The Services, which are more specifically described in Section 5 (Specifications and Additional Questions) and Appendix Two of this RFP include (1) collection services, (2) skip-tracing, (3) asset searches and (4) related activities required for verifying and collecting accounts.

1.4 Group Purchase Authority

Texas law authorizes institutions of higher education (defined by §61.003, Education Code) to use the group purchasing procurement method (ref. §§51.9335, 73.115, and 74.008, Education Code). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer under this RFP. In particular, Proposer should note that University is part of The University of Texas System (UT System), which is comprised of fourteen institutions described at http://www.utsystem.edu/institutions. UT System institutions routinely evaluate whether a contract resulting from a procurement conducted by one of the institutions might be suitable for use by another, and if so, this RFP could give rise to additional purchase volumes. As a result, in submitting its proposal, Proposer should consider proposing a pricing model and other commercial terms that take into account the higher volumes and other expanded opportunities that could result from the eventual inclusion of other institutions in the purchase contemplated by this RFP. Any purchases made by other institutions based on this RFP will be the sole responsibility of those institutions.

2.5 Historically Underutilized Businesses

2.5.1 All agencies of the State of Texas are required to make a good faith effort to assist historically underutilized businesses (HUBs) in receiving contract awards. The goal of the HUB program is to promote full and equal business opportunity for all businesses in contracting with state agencies. Pursuant to the HUB program, if under the terms of any agreement or contractual arrangement resulting from this RFP, Contractor subcontracts any Work, then Contractor must make a good faith effort to utilize HUBs certified by the Procurement and Support Services Division of the Texas Comptroller of Public Accounts. Proposals that fail to comply with the requirements contained in this Section 2.5 will constitute a material failure to comply with advertised specifications and will be rejected by University as non-responsive. Additionally, compliance with good faith effort guidelines is a condition precedent to awarding any agreement or contractual arrangement resulting from this RFP. Proposer acknowledges that, if selected by University, its obligation to make a good faith effort to utilize HUBs when subcontracting any Work will continue throughout the term of all agreements and contractual arrangements resulting from this RFP. Furthermore, any subcontracting of Work by the Proposer is subject to review by University to ensure compliance with the HUB program.

2.5.2 University has reviewed this RFP in accordance with 34 TAC §20.285, and has determined that subcontracting opportunities are probable under this RFP.

Each Proposer must complete and return the HSP in accordance with the terms and conditions of this RFP, including APPENDIX THREE. Proposers that fail to submit the HSP will be considered non-responsive to this RFP as required by §2161.252, Government Code.

Questions regarding the HSP may be directed to:

Contact: Benjamin Alvarez
          HUB Coordinator
          Director, Purchasing & General Services

Phone: 915-747-5456
Email: baalvarez@utep.edu

Contractor will not be permitted to change its HSP unless: (1) Contractor completes a new HSP in accordance with the terms of APPENDIX THREE, setting forth all modifications requested by Contractor, (2) Contractor provides the modified HSP to University, (3) University approves the modified HSP in writing, and (4) all agreements resulting from this RFP are amended in writing to conform to the modified HSP.

2.5.4 At the same time Proposer submits its proposal (no later than the Submittal Deadline (ref. Section 2.1)), Proposer must submit the following HUB materials (HUB Materials):

One (1) complete electronic signed copy of Proposer’s HSP in a single .pdf file.

Any proposal submitted in response to this RFP that is not accompanied by a separate HSP document meeting the above requirements may be rejected by University and returned to Proposer unopened as non-responsive due to material failure to comply with advertised specifications.

If Proposer takes exception to any terms or conditions set forth in the Agreement, Proposer will submit a list of the exceptions as part of its proposal in accordance with Section 5.3.1. Proposer’s exceptions will be reviewed by University and may result in disqualification of Proposer’s proposal as non-responsive to this RFP. 1.2 Inquiries and Interpretations

University may in its sole discretion respond in writing to written inquiries concerning this RFP and mail its response as an Addendum to all parties recorded by University as having received a copy of this RFP. Only University’s responses that are made by formal written Addenda will be binding on University. Any verbal responses, written interpretations or clarifications other than Addenda to this RFP will be without legal effect. All Addenda issued by University prior to the Submittal Deadline will be and are hereby incorporated as a part of this RFP for all purposes.

Proposers are required to acknowledge receipt of each Addendum as specified in this Section. The Proposer must acknowledge all Addenda by completing, signing and returning the Addenda Checklist (ref. Section 4 of APPENDIX ONE). The Addenda Checklist must be received by University prior to the Submittal Deadline and should accompany the Proposer’s proposal.

Any interested party that receives this RFP by means other than directly from University is responsible for notifying University that it has received an RFP package, and should provide its name, address, telephone and facsimile (FAX) numbers, and email address, to University, so that if University issues Addenda to this RFP or provides written answers to questions, that information can be provided to that party. Proposers are required to acknowledge the Addenda documents in Sourcing Manager at the Sourcing Manager Internet address at (https://adminapps.utep.edu/sourcing/).

1.3 Public Information

University may seek to protect from disclosure all information submitted in response to this RFP until such time as a final agreement is executed.

Upon execution of a final agreement, University will consider all information, documentation, and other materials requested to be submitted in response to this RFP, to be of a non-confidential and non-proprietary nature and, therefore, subject to public disclosure under the Texas Public Information Act (ref. Chapter 552, Government Code). Proposer will be advised of a request for public information that implicates their materials and will have the opportunity to raise any objections to disclosure to the Texas Attorney General. Certain information may be protected from release under §§ 552.101, 552.104, 552.110, 552.113, and 552.131, Government Code.

Contractor, if any, will be required to enter into a contract with University in a form substantially similar to the Agreement between University and Contractor attached to this RFP as APPENDIX TWO, and otherwise acceptable to University in all respects (Agreement).

1.5 Proposal Evaluation Process

University will select Contractor by using the competitive sealed proposal process described in this Section. Any proposals that are not submitted by the Submittal Deadline or that are not accompanied by required number of completed and signed originals of the HSP will be rejected by University as non-responsive due to material failure to comply with this RFP (ref. Section 2.5.4). Upon completion of the initial review and evaluation of proposals, University may invite one or more selected Proposers to participate in oral presentations. University will use commercially reasonable efforts to avoid public disclosure of the contents of a proposal prior to selection of Contractor.

University may make the selection of Contractor on the basis of the proposals initially submitted, without discussion, clarification or modification. In the alternative, University may make the selection of Contractor on the basis of negotiation with any of the Proposers. In conducting negotiations, University will use commercially reasonable efforts to avoid disclosing the contents of competing proposals.

University may discuss and negotiate all elements of proposals submitted by Proposers within a specified competitive range. For purposes of negotiation, University may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, University may defer further action on proposals not included within the competitive range pending the selection of Contractor; provided, however, University reserves the right to include additional proposals in the competitive range if deemed to be in the best interest of University.

After the Submittal Deadline but before final selection of Contractor, University may permit Proposer to revise its proposal in order to obtain the Proposer’s best and final offer. In that event, representations made by Proposer in its revised proposal, including price and fee quotes, will be binding on Proposer. University will provide each Proposer within the competitive range with an equal opportunity for discussion and revision of its proposal. University is not obligated to select the Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to University overall, as determined by University.

REQUEST FOR PROPOSAL

University reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFP with one or more Proposers, (b) reject any and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or permanently abandon this selection process, if deemed to be in the best interests of University. Proposer is hereby notified that University will maintain in its files concerning this RFP a written record of the basis upon which a selection, if any, is made by University.

1.6 Proposer’s Acceptance of RFP Terms

Proposer (1) accepts [a] Proposal Evaluation Process (ref. Section 1.5 of APPENDIX ONE), [b] Criteria for Selection (ref. Section 2.3), [c] Specifications and Additional Questions (ref. Section 5), [d] terms and conditions of the Agreement (ref. Proposer will bear, as its sole risk and responsibility, any cost arising from Proposer’s preparation of a response to this RFP.

16. This Contract is not effective for any amount over one million dollars until approved by the Board of Regents of The University of Texas System.

17. Performance by University under the Contract may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the "Legislature") and/or allocation of funds by the Board of Regents of The University of Texas System (the "Board"). If the Legislature fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds, then the University will issue written notice to Contractor and the University may terminate this Contract without further duty or obligation hereunder. Contractor acknowledges that appropriation, allotment, and allocation of funds are beyond the control of the University.

18. Contractor is aware of, is fully informed about, and in full compliance with its obligations under existing applicable law and regulations, including but not limited to Title VI of the Civil Rights Act of 1964, as amended (42 USC 2000(D)), Executive Order 11246, as amended (41 CFR 60-1 and 60-2), Vietnam Era Veterans Readjustment Act of 1974, as amended (41 CFR 60-250), Rehabilitation Act of 1973, as amended (41 CFR 60-741), Age Discrimination Act of 1975 (42 USC 6101 et seq.), Non-segregated Facilities (41 CFR 60-1), Omnibus Budget Reconciliation Provision, Section 952, Fair Labor Standards Act of 1938, Sections 6, 7, and 12, as amended, Immigration Reform and Control Act of 1986, and Utilization of Small Business Concerns and Small Business Concerns Owned and Controlled by Socially and Economically Disadvantaged Individuals (PL 96-507), the Americans with Disabilities Act of 1990 (42 USC 12101 et seq.), the Civil Rights Act of 1991 and all laws and regulations and executive orders as are applicable.

Contractor certifies that, except for restrooms and wash rooms and one (1) or more lactation rooms each of which is segregated on the basis of sex: (1) it does not maintain or provide for its employees any segregated facilities at any of its establishments and that it does not permit its employees to perform their services at any location under its control where segregated facilities are maintained; (2) it will not maintain or provide for its employees any segregated facilities at any of its establishments; and (3) it will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. Contractor agrees that a breach of this certification is a violation of the Equal Opportunity clause in the Contract. The term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, entertainment areas, transportation, or housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, or national origin, because of habit, local custom, or otherwise. Contractor further agrees that, except where it has contracts prior to the award with subcontractors exceeding $10,000.00 which are not exempt from the provisions of the Equal Opportunity clause, Contractor will retain such certifications for each one of its subcontractors in Contractor’s files, and that it will forward the following notice to all proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENTS FOR CERTIFICATIONS OF NONSEGREGATED FACILITIES - A Certification on Nonsegregated Facilities must be submitted prior to the award of any subcontract exceeding $10,000.00 which is not exempt from the provisions of the Equal Opportunity clause. The certification may be submitted either for each subcontract or for all subcontracts during a period (i.e. quarterly, semiannually, or annually).
Contractor understands that the penalty for making false statements regarding the subject matters of this Section is prescribed in 18 U.S.C. 1001.

19. If a HSP is attached to this Contract, Contractor agrees to use good faith efforts to subcontract the Services in accordance with the HSP. Contractor agrees to maintain business records documenting its compliance with the HSP and to submit a monthly compliance report to the University in the format required by the Statewide Procurement and Statewide Support Services Division of the Texas Comptroller of Public Accounts or successor entity (“SPSS”). Submission of compliance reports will be required as a condition for payment under the Contract. If the University determines that Contractor has failed to subcontract as set out in the HSP, the University will notify Contractor of any deficiencies and give Contractor an opportunity to submit documentation and explain why the failure to comply with the HSP should not be attributed to a lack of good faith effort by Contractor. If the University determines that Contractor failed to implement the HSP in good faith, the University, in addition to any other remedies, may report nonperformance to the SPSS in accordance with 34 TAC §§20.285(g)(5), 20.585 and 20.586. The University may also revoke this Contract for breach and make a claim against the Contractor.

Changes to the HSP. If at any time during the term of the Contract, Contractor desires to change the HSP, before the proposed changes become effective (1) Contractor must comply with 34 TAC Section 20.285; (2) the changes must be reviewed and approved by the University; and (3) if the University approves changes to the HSP, the Contract must be amended in accordance with Item A.5 of this Contract to replace the HSP with the revised subcontracting plan.

Expansion of the Services. If the University expands the scope of the Services through a change order or any other amendment, the University will determine if the additional Services contain probable subcontracting opportunities not identified in the initial solicitation for the Services. If the University determines additional probable subcontracting opportunities exist, Contractor will submit an amended subcontracting plan covering those opportunities. The amended subcontracting plan must comply with the provisions of 34 TAC Section 20.285 before (1) the Contract may be amended to include the additional Services; or (2) Contractor may perform the additional Services. If Contractor subcontracts any of the additional subcontracting opportunities identified by the University without prior authorization and without complying with 34 TAC Section 20.285, Contractor will be deemed to be in breach of the Contract and will be subject to any remedial actions provided by Texas law including Chapter 2161, Government Code, and 34 TAC Section 20.285. The University may report nonperformance under the Contract to the SPSS in accordance with 34 TAC §§20.285(g)(5), 20.585 and 20.586.

20. Contractor confirms that neither Contractor nor its Principals are suspended, debarred, proposed for debarment, declared ineligible, or voluntarily excluded from the award of contracts from United States (“U.S.”) federal government procurement or nonprocurement programs, or are listed in the List of Parties Excluded from Federal Procurement or Nonprocurement Programs issued by the U.S. General Services Administration. “Principals” means officers, directors, owners, partners, and persons having primary management or supervisory responsibilities within a business entity (e.g. general manager, plant manager, head of a subsidiary, division or business segment, and similar positions). Contractor shall provide immediate written notification to the University if, at any time prior to award, Contractor learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances. This certification is a material representation of fact upon which reliance will be placed when the University executes the Contract. If it is later determined that Contractor knowingly rendered an erroneous certification, in addition to the other remedies available to the University, the University may terminate the Contract for default by Contractor.

21. Contractor acknowledges that the University may be prohibited by federal regulations from allowing any employee, representative, subcontractor, or agent of Contractor to work on site at the University's premises or facilities if that individual is not eligible to work on federal healthcare programs such as Medicare, Medicaid, or other similar federal programs. Therefore, Contractor shall not assign any employee, representative, subcontractor or agent that appears on the List of Excluded Individuals issued by the United States Office of the Inspector General (“OIG”) to work on site at the University's premises or facilities. Contractor shall perform an OIG sanctions check quarterly on each of its employees, representatives, subcontractors and agents during the time such employees, representatives, subcontractors and agents are assigned to work on site at the University’s premises or facilities. Contractor acknowledges that the University will require immediate removal of any employee, subcontractor or agent of Contractor assigned to work at their premises or facilities if such employee, subcontractor or agent is found to be on the OIG’s List of Excluded Individuals. The OIG’s List of Excluded Individuals may be accessed through the following Internet website: https://exclusions.oig.hhs.gov.

22. Contractor agrees that a written copy of Contractor’s Civil Rights “Affirmative Action Compliance Program” will be provided simultaneously with the Contract and incorporated for all purposes, or if Contractor is not required to have such a written program, the reason Contractor is not subject to such requirement will be provided in writing.
23. Contractor represents and warrants that all articles and services furnished under the Contract meet or exceed the safety standards established and promulgated under the Federal Occupational Safety and Health Law (Public Law 91-598) and its regulations in effect or proposed as of the date of the Contract.

24. If the Contract requires Contractor’s presence on the University’s premises or in the University’s facilities, Contractor agrees to cause its representatives, agents, employees and permitted subcontractors (if any) to become aware of, fully informed about, and in full compliance with all applicable University rules and policies, including, without limitation, those relative to personal health, security, environmental quality, safety, fire prevention, noise, smoking, and access restrictions.

25. Except as otherwise provided in this paragraph, all notices, consents, approvals, demands, requests or other communications provided for or permitted to be given under any of the provisions of this Contract shall be in writing and shall be deemed to have been duly given or served when delivered by hand delivery or when deposited in the U.S. mail by registered or certified mail, return receipt requested, postage prepaid, and addressed as follows:

To the extent Contractor becomes aware that the EIRs, or any portion thereof, do not comply with the EIR Accessibility warranty, then Contractor represents and warrants that it will, at no cost to University, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. In the event that Contractor fails or is unable to do so, then University may terminate this Agreement and Contractor will refund to University all amounts University has paid under this Agreement within thirty (30) days after the termination date.

27. University strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information under the Texas Public Information Act (“TPIA”), Chapter 552, Texas Government Code. In accordance with Section 552.002 of the TPIA and Section 2252.907, Texas Government Code, and at no additional charge to University, Contractor will make any information created or exchanged with University pursuant to this Contract (and not otherwise exempt from disclosure under TPIA) available in a format reasonably

1. preserve all contracting information (ref. Section 552.003(7), Texas Government Code) related to this Contract as provided by the records retention requirements applicable to University for the duration of this Contract;
2. promptly provide to the University any contracting information related to this Contract that is in the custody or possession of Contractor on request of the University; and
3. on completion of this Contract, either:
   (A) provide at no cost to the University all contracting information related to this Contract that is in the custody or possession of Contractor, or
   (B) preserve the contracting information related to this Contract as provided by the records retention requirements applicable to the University.

The requirements of Subchapter J, Chapter 552, Government Code (“Subchapter J”) may apply to this Contract and Contractor agrees that the Contract can be terminated if Contractor knowingly or intentionally fails to comply with a requirement of Subchapter J.

University may not accept a bid for a contract described by Section 552.371, Texas Government Code or award the contract to an entity that the University has determined has knowingly or intentionally failed to comply with Subchapter J in a previous bid or contract described by Section 552.371 unless the University determines and documents that the entity has taken adequate steps to ensure future compliance with the requirements of Subchapter J.

If Contractor fails to comply with the requirements of Subchapter J applicable to Contractor, then University shall provide written notice to Contractor stating the requirement(s) of Subchapter J that Contractor has violated.

Such notice will also advise Contractor that University may terminate this Contract without further obligation to Contractor if (a) Contractor does not cure the violation on or before the 10th business day after the date the University provides the notice, (b) the University determines that Contractor has intentionally or knowingly failed to comply with a requirement of that Subchapter J, and (c) the University determines that Contractor has not taken adequate steps to ensure future compliance with the requirements of Subchapter J. For purposes of the above, Contractor has taken adequate steps to ensure future compliance with Subchapter J if: (1) Contractor produces contracting information requested by the University that is in the custody or possession of Contractor on request of the University; and (2) Contractor establishes a records management program to enable Contractor to comply with Subchapter J.

28. Contractor and its employees, agents, representatives and subcontractors have read and understand University’s Conflicts of Interest Policy, University’s Standards of Conduct Guide and applicable state ethics laws and rules at https://www.utsystem.edu/offices/systemwide-compliance/ethics. Neither Contractor nor its employees, agents, representatives or subcontractors will assist or cause University employees to violate University’s Conflicts of Interest Policy, University’s Standards of Conduct Guide, or applicable state ethics laws or rules. Contractor represents and warrants that no member of the Board of Regents of The University of Texas System has a direct or indirect financial interest in the transaction that is the subject of this Contract. To the extent applicable to it, Contractor agrees to comply with §2252.908, Texas Government Code (Disclosure of Interested Parties Statute), and 1 TAC §§46.1 through 46.5 (Disclosure of Interested Parties Regulations), as implemented by the Texas Ethics Commission (TEC) and, including, among other things, providing the TEC and University with information required on the form promulgated by TEC. 29. Pursuant to Chapter 2271 of the Texas Government Code, Contractor certifies that Contractor does not currently boycott Israel and will not boycott Israel during the term of this Contract. Contractor acknowledges this Contract may be terminated and payment withheld if this certification is inaccurate.

30. Pursuant to Subchapter F, Chapter 2252, Texas Government Code, Contractor certifies Contractor is not engaged in business with Iran, Sudan, or a foreign terrorist organization. Contractor acknowledges this Contract may be terminated and payment withheld if this certification is inaccurate.

Contractor shall verify completion of the program to the University.
