## SECTION 1

### INTRODUCTION

#### 1.1 Description of University

Founded in 1914, The University of Texas at El Paso (UTEP) is a vibrant top tier public research university of more than 25,000 students enrolled in 170 undergraduate and graduate degree programs. Set against the backdrop of the Franklin Mountains in the Chihuahuan Desert, UTEP is located at the heart of the U.S.-Mexico border in one of the largest binational communities in the world. UTEP maintains one of the lowest out-of-pocket costs of any doctoral research university in the U.S., underscoring its commitment to make education accessible to all. Rigorous program and research opportunities help prepare students to make significant contributions to their professions, their communities and the world. UTEP is designated as an R1 university (top tier doctoral university with very high research activity), one of only 130 in the country.

#### 1.2 Background and Special Circumstances

Through this Request for Proposal (“RFP”), the University is seeking a vendor to provide Outbound Ticket Sales and Box Office Services for the University in accordance with the terms, conditions and requirements set forth in this RFP.

The University of Texas at El Paso Department of Intercollegiate Athletics is seeking a 3rd party partner to provide outbound ticket sales and service as well as day-to-day box office support and functions, helping to generate more revenue, increase attendance and enhance the overall fan/customer experience for UTEP Athletics. The outbound sales will be focused on making daily calls and inquiries to potential customers, while the box office will provide all backend logistics, reconciliations and setups required to successfully operate a ticketing unit.

Proposers may review frequently asked questions (FAQs) and the Solicitation Manual at the Miner Mall Sourcing Manager Internet address, [www.sourcingmanager.utep.edu](http://www.sourcingmanager.utep.edu).

#### 1.3 Objective of Request for Proposal

The University of Texas at El Paso (“**University**”) is soliciting proposals in response to this Request for Proposal, RFP No. 724-2008-JBT (this “**RFP**”), from qualified vendors to provide services (the “**Services**”) related to the Outbound Ticket Sales and Box Office Services. The Services, which are more specifically described in **Section 5.4** (Scope of Work) of this RFP include Outbound Ticket Sales and Box Office.

#### 1.4 Group Purchase Authority

Texas law authorizes institutions of higher education (defined by [§61.003, Education Code](#)) to use the group purchasing procurement method (ref. §§[51.9335](#), [73.115](#), and [74.008](#), *Education Code*). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer under this RFP. In particular, Proposer should note that University is part of The University of Texas System (**UT System**), which is comprised of fourteen institutions described at <http://www.utsystem.edu/institutions>. UT System institutions routinely evaluate whether a contract resulting from a procurement conducted by one of the institutions might be suitable for use by another, and if so, this RFP could give rise to additional purchase volumes. As a result, in submitting its proposal, Proposer should consider proposing a pricing model and other commercial terms that take into account the higher volumes and other expanded opportunities that could result from the eventual inclusion of other institutions in the purchase contemplated by this RFP. Any purchases made by other institutions based on this RFP will be the sole responsibility of those institutions.

2.5.1 All agencies of the State of Texas are required to make a good faith effort to assist historically underutilized businesses (**HUBs**) in receiving contract awards. The goal of the HUB program is to promote full and equal business opportunity for all businesses in contracting with state agencies. Pursuant to the HUB program, if under the terms of any agreement or contractual arrangement resulting from this RFP, Contractor subcontracts any Work, then Contractor must make a good faith effort to utilize HUBs certified by the Procurement and Support Services Division of the Texas Comptroller of Public Accounts. Proposals that fail to comply with the requirements contained in this **Section 2.5** will constitute a material failure to comply with advertised specifications and will be rejected by University as non-responsive. Additionally, compliance with good faith effort guidelines is a condition precedent to awarding any agreement or contractual arrangement resulting from this RFP. Proposer acknowledges that, if selected by University, its obligation to make a good faith effort to utilize HUBs when subcontracting any Work will continue throughout the term of all agreements and contractual arrangements resulting from this RFP. Furthermore, any subcontracting of Work by the Proposer is subject to review by University to ensure compliance with the HUB program.

Email: [baalvarez@utep.edu](mailto:baalvarez@utep.edu)

Contractor will not be permitted to change its HSP unless: (1) Contractor completes a new HSP in accordance with the terms of **APPENDIX THREE**, setting forth all modifications requested by Contractor, (2) Contractor provides the modified HSP to University, (3) University approves the modified HSP *in writing*, and (4) all agreements resulting from this RFP are amended in writing to conform to the modified HSP.

- (b) **One (1) complete electronic copy of Proposer's HSP in a single .pdf file on a flash drive.**

Proposer's HUB Materials must be submitted (as instructed in **Section 3.2**) under separate cover and in a separate envelope (**HSP Envelope**) with the top outside surface clearly indicating:

2.5.4.2 Name and the return address of Proposer, and

2.5.4.3 Phrase "HUB Subcontracting Plan."

Any proposal submitted in response to this RFP that is not accompanied by a separate HSP Envelope meeting the above requirements may be rejected by University and returned to Proposer unopened as non-responsive due to material failure to comply with advertised specifications.

University will open Proposer's HSP Envelope prior to opening the proposal to confirm Proposer submitted the HSP. Proposer's failure to submit the HSP will result in University's rejection of the proposal as non-responsive due to material failure to comply with advertised specifications.

**NOTE:** The requirement that Proposer provide the HSP under this **Section 2.5.4** is separate from and does not affect Proposer's obligation to provide University with the number of copies of its proposal specified in **Section 3.1**.

Proposers are required to acknowledge the Addenda documents in Sourcing Manager at the Sourcing Manager Internet address at (<https://adminapps.utep.edu/sourcing/>).

#### 1.3 Public Information

Proposer is hereby notified that University strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information.

University may seek to protect from disclosure all information submitted in response to this RFP until such time as a final agreement is executed.

Upon execution of a final agreement, University will consider all information, documentation, and other materials requested to be submitted in response to this RFP, to be of a non-confidential and non-proprietary nature and, therefore, subject to public disclosure under the *Texas Public Information Act* (ref. Chapter 552, Government Code). Proposer will be advised of a request for public information that implicates their materials and will have the opportunity to raise any objections to disclosure to the Texas Attorney General. Certain information may be protected from release under §§552.101, 552.104, 552.110, 552.113, and 552.131, *Government Code*.

#### 1.4 Type of Agreement

Contractor, if any, will be required to enter into a contract with University in a form substantially similar to the Agreement between University and Contractor attached to this RFP as **APPENDIX TWO**, and otherwise acceptable to University in all respects (**Agreement**).

#### 1.5 Proposal Evaluation Process

University will select Contractor by using the competitive sealed proposal process described in this Section. Any proposals that are not submitted by the Submittal Deadline will be rejected by University as non-responsive due to material failure to comply with this RFP (ref. **Section 2.5.4**). Upon completion of the initial review and evaluation of proposals, University may invite one or more selected Proposers to participate in oral presentations. University will use commercially reasonable efforts to avoid public disclosure of the contents of a proposal prior to selection of Contractor.

University may make the selection of Contractor on the basis of the proposals initially submitted, without discussion, clarification or modification. In the alternative, University may make the selection of Contractor on the basis of negotiation with any of the Proposers. In conducting negotiations, University will use commercially reasonable efforts to avoid disclosing the contents of competing proposals.

University may discuss and negotiate all elements of proposals submitted by Proposers within a specified competitive range. For purposes of negotiation, University may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, University may defer further action on proposals not included within the competitive range pending the selection of Contractor; provided, however, University reserves the right to include additional proposals in the competitive range if deemed to be in the best interest of University.

After the Submittal Deadline but before final selection of Contractor, University may permit Proposer to revise its proposal in order to obtain the Proposer's best and final offer. In that event, representations made by Proposer in its revised proposal, including price and fee quotes, will be binding on Proposer. University will provide each Proposer within the competitive range with an equal opportunity for discussion and revision of its proposal. University is not obligated to select the Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to University overall, as determined by University.

University reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFP with one or more Proposers, (b) reject any and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or permanently abandon this selection process, if deemed to be in the best interests of University. Proposer is hereby notified that University will maintain in its files concerning this RFP a written record of the basis upon which a selection, if any, is made by University.

## 1.6 Proposer's Acceptance of RFP Terms

Proposer (1) accepts [a] Proposal Evaluation Process (ref. **Section 1.5 of APPENDIX ONE**), [b] Criteria for Selection (ref. **Section 2.3**), [c] Specifications and Additional Questions (ref. **Section 5**), [d] terms and conditions of the Agreement (ref. **APPENDIX TWO**), and [e] all other requirements and specifications set forth in this RFP; and (2) acknowledges that some subjective judgments must be made by University during this RFP process.

## 1.7 Solicitation for Proposal and Proposal Preparation Costs

Proposer understands and agrees that (1) this RFP is a solicitation for proposals and University has made no representation written or oral that one or more agreements with University will be awarded under this RFP; (2) University issues this RFP predicated on University's anticipated requirements for Work, and University has made no representation, written or oral, that any particular scope of work will actually be required by University; and (3) Proposer will bear, as its sole risk and responsibility, any cost that arises from Proposer's preparation of a proposal in response to this RFP.

Emphasis should be on completeness, clarity of content, and responsiveness to the requirements and specifications of this RFP.
- 1.8.6 University makes no warranty or guarantee that an award will be made as a result of this RFP. University reserves the right to accept or reject any or all proposals, waive any formalities, procedural requirements, or minor technical inconsistencies, and delete any requirement or specification from this RFP or the Agreement when deemed to be in University's best interest. University reserves the right to seek clarification from any Proposer concerning any item contained in its proposal prior to final selection. Such clarification may be provided by telephone conference or personal meeting with or writing to University, at University's sole discretion. Representations made by Proposer within its proposal will be binding on Proposer.
- 1.8.7 Any proposal that fails to comply with the requirements contained in this RFP may be rejected by University, in University's sole discretion.

- 12.15 **Severability.** In case any provision of this Agreement will, for any reason, be held invalid or unenforceable in any respect, the invalidity or unenforceability will not affect any other provision of this Agreement, and this Agreement will be construed as if the invalid or unenforceable provision had not been included.
- 12.16 **State Auditor's Office.** Contractor understands acceptance of funds under this Agreement constitutes acceptance of authority of the Texas State Auditor's Office or any successor agency (**Auditor**), to conduct an audit or investigation in connection with those funds (ref. §§[51.9335\(c\)](#), [73.115\(c\)](#) and [74.008\(c\)](#), *Texas Education Code*). Contractor agrees to cooperate with Auditor in the conduct of the audit or investigation, including providing all records requested. NOTWITHSTANDING ANY DUTY OR OBLIGATION OF UNIVERSITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR, NO PRESENT OR FUTURE AFFILIATED ENTERPRISE, SUBCONTRACTOR, AGENT, OFFICER, DIRECTOR, EMPLOYEE, REPRESENTATIVE, ATTORNEY OR REGENT OF UNIVERSITY, OR THE UNIVERSITY OF TEXAS SYSTEM, OR ANYONE CLAIMING UNDER UNIVERSITY HAS OR WILL HAVE ANY PERSONAL LIABILITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR BY REASON OF THE EXECUTION OR PERFORMANCE OF THIS AGREEMENT.
- 12.18 **Survival of Provisions.** No expiration or termination of this Agreement will relieve either party of any obligations under this Agreement that by their nature survive expiration or termination, including **Sections 6.7, 9, 12.5, 12.9, 12.10, 12.11, 12.13, 12.16, 12.17, 12.19 and 12.21.**
- 12.19 **Breach of Contract Claims.**
- 12.19.1 To the extent that [Chapter 2260, Texas Government Code](#), as it may be amended from time to time (**Chapter 2260**), is applicable to this Agreement and is not preempted by other Applicable Laws, the dispute resolution process provided for in [Chapter 2260](#) will be used, as further described herein, by University and Contractor to attempt to resolve any claim for breach of contract made by Contractor:
- 12.19.1.1 Contractor's claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business will be submitted to the negotiation process provided in [subchapter B](#) of Chapter 2260. To initiate the process, Contractor will submit written notice, as required by [subchapter B](#) of Chapter 2260, to University in accordance with the notice provisions in this Agreement. Contractor's notice will specifically state that the provisions of [subchapter B](#) of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that University allegedly breached, the amount of damages Contractor seeks, and the method used to calculate the damages. Compliance by Contractor with [subchapter B](#) of Chapter 2260 is a required prerequisite to Contractor's filing of a contested case proceeding under [subchapter C](#) of Chapter 2260. The chief business officer of University, or another officer of University as may be designated from time to time by University by written notice to Contractor in accordance with the notice provisions in this Agreement, will examine Contractor's claim and any counterclaim and negotiate with Contractor in an effort to resolve the claims.
- 12.19.1.2 If the parties are unable to resolve their disputes under **Section 12.19.1.1**, the contested case process provided in [subchapter C](#) of Chapter 2260 is Contractor's sole and exclusive process for seeking a remedy for any and all of Contractor's claims for breach of this Agreement by University.
- 12.19.1.3 Compliance with the contested case process provided in [subchapter C](#) of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under [Chapter 107, Texas Civil Practices and Remedies Code](#). The parties hereto specifically agree that (i) neither the execution of this Agreement by University nor any other conduct, action or inaction of any representative of University relating to this Agreement constitutes or is intended to constitute a waiver of University's or the state's sovereign immunity to suit and (ii) University has not waived its right to seek redress in the courts.
- 12.19.2 The submission, processing and resolution of Contractor's claim is governed by the published rules adopted by the Texas Attorney General pursuant to [Chapter 2260](#), as currently effective, thereafter enacted or subsequently amended.
- 12.19.3 University and Contractor agree that any periods provided in this Agreement for notice and cure of defaults are not waived.
- 12.20 **Undocumented Workers.** The *Immigration and Nationality Act* ([8 USC §1324a](#)) (**Immigration Act**) makes it unlawful for an employer to hire or continue employment of undocumented workers. The United States Immigration and Customs Enforcement Service has established the [Form I-9 Employment Eligibility](#)

Verification Form (I-9 Form) as the document to be used for employment eligibility verification (8 CFR §274a). Among other things, Contractor is required to: (1) have all employees complete and sign the I-9 Form certifying that they are eligible for employment; (2) examine verification documents required by the I-9 Form to be presented by the employee and ensure the documents appear to be genuine and related to the individual; (3) record information about the documents on the I-9 Form, and complete the certification portion of the I-9 Form; and (4) retain the I-9 Form as required by Applicable Laws. It is illegal to discriminate against any individual (other than a citizen of another country who is not authorized to work in the United States) in hiring, discharging, or recruiting because of that individual's national origin or citizenship status. If Contractor employs unauthorized workers during performance of this Agreement in violation of the Immigration Act then, in addition to other remedies or penalties prescribed by Applicable Laws, University may terminate this Agreement in accordance with **Section 8**. Contractor represents and warrants that it is in compliance with and agrees that it will remain in compliance with the provisions of the Immigration Act.

- 12.21 **Limitations.** THE PARTIES ARE AWARE THERE ARE CONSTITUTIONAL AND STATUTORY LIMITATIONS (**LIMITATIONS**) ON THE AUTHORITY OF UNIVERSITY (A STATE AGENCY) TO ENTER INTO CERTAIN TERMS AND CONDITIONS THAT MAY BE PART OF THIS AGREEMENT, INCLUDING TERMS AND CONDITIONS RELATING TO LIENS ON UNIVERSITY'S PROPERTY; DISCLAIMERS AND LIMITATIONS OF WARRANTIES; DISCLAIMERS AND LIMITATIONS OF LIABILITY FOR DAMAGES; WAIVERS, DISCLAIMERS AND LIMITATIONS OF LEGAL RIGHTS, REMEDIES, REQUIREMENTS AND PROCESSES; LIMITATIONS OF PERIODS TO BRING LEGAL ACTION; GRANTING CONTROL OF LITIGATION OR SETTLEMENT TO ANOTHER PARTY; LIABILITY FOR ACTS OR OMISSIONS OF THIRD PARTIES; PAYMENT OF ATTORNEYS' FEES; DISPUTE RESOLUTION; INDEMNITIES; AND CONFIDENTIALITY, AND TERMS AND CONDITIONS RELATED TO LIMITATIONS WILL NOT BE BINDING ON UNIVERSITY EXCEPT TO THE EXTENT AUTHORIZED BY THE LAWS AND CONSTITUTION OF THE STATE OF TEXAS.
- 12.22 **Ethics Matters; No Financial Interest.** Contractor and its employees, agents, representatives and subcontractors have read and understand University's Conflicts of Interest Policy at, University's Standards of Conduct Guide at <http://admin.utep.edu/Default.aspx?alias=admin.utep.edu/compliance>, and applicable state ethics laws and rules at <https://www.utsystem.edu/offices/systemwide-compliance/ethics>. Neither Contractor nor its employees, agents, representatives or subcontractors will assist or cause University employees to violate University's Conflicts of Interest Policy, University's Standards of Conduct Guide, or applicable state ethics laws or rules. Contractor represents and warrants that no member of the Board has a direct or indirect financial interest in the transaction that is the subject of this Agreement.
- 12.23 **Intentionally left Blank**
- 12.24 **Enforcement.** Contractor agrees and acknowledges that University is entering into this Agreement in reliance on Contractor's special and unique knowledge and abilities with respect to performing Work. Contractor's services provide a peculiar value to University. University cannot be reasonably or adequately compensated in damages for the loss of Contractor's services. Accordingly, Contractor acknowledges and agrees that a breach by Contractor of the provisions of this Agreement will cause University irreparable injury and damage. Contractor, therefore, expressly agrees that University will be entitled to injunctive and/or other equitable relief in any court of competent jurisdiction to prevent or otherwise restrain a breach of this Agreement.
- 12.25 **Access by Individuals with Disabilities.** Contractor represents and warrants (**EIR Accessibility Warranty**) the electronic and information resources and all associated information, documentation, and support Contractor provides to University under this Agreement (**EIRs**) comply with applicable requirements in 1 TAC Chapter 213 and 1 TAC §206.70 (ref. Subchapter M, Chapter 2054, Texas Government Code). To the extent Contractor becomes aware the EIRs, or any portion thereof, do not comply with the EIR Accessibility Warranty, then Contractor represents and warrants it will, at no cost to University, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. If Contractor fails or is unable to do so, University may terminate this Agreement and, within thirty (30) days after termination, Contractor will refund to University all amounts University paid under this Agreement.
- 12.26 **Historically Underutilized Business Subcontracting Plan.** Contractor agrees to use good faith efforts to subcontract Work in accordance with the Historically Underutilized Business Subcontracting Plan (**HSP**) (ref. **Exhibit E**). Contractor agrees to maintain business records documenting its compliance with the HSP and to submit a monthly compliance report to University in the format required by the Statewide Procurement and Statewide Support Services Division of the Texas Comptroller of Public Accounts or successor entity (collectively, **SPSS**). Submission of compliance reports will be required as a condition for payment under this

Agreement. If University determines that Contractor has failed to subcontract as set out in the HSP, University will notify Contractor of any deficiencies and give Contractor an opportunity to submit documentation and explain why the failure to comply with the HSP should not be attributed to a lack of good faith effort by Contractor. If University determines that Contractor failed to implement the HSP in good faith, University, in addition to any other remedies, may report nonperformance to the SPSS in accordance with [34 TAC §§20.285\(g\)\(5\), 20.585](#) and [20.586](#). University may also revoke this Agreement for breach and make a claim against Contractor.

12.26.1 **Changes to the HSP.** If at any time during the Term, Contractor desires to change the HSP, before the proposed changes become effective (a) Contractor must comply with [34 TAC §20.285](#); (b) the changes must be reviewed and approved by University; and (c) if University approves changes to the HSP, this Agreement must be amended in accordance with **Section 12.6** to replace the HSP with the revised subcontracting plan.

12.26.2 **Expansion of Work.** If University expands the scope of Work through a change order or any other amendment, University will determine if the additional Work contains probable subcontracting opportunities *not* identified in the initial solicitation for Work. If University determines additional probable subcontracting opportunities exist, Contractor will submit an amended subcontracting plan covering those opportunities. The amended subcontracting plan must comply with the provisions of [34 TAC §20.285](#) before (a) this Agreement may be amended to include the additional Work; or (b) Contractor may perform the additional Work. If Contractor subcontracts any of the additional subcontracting opportunities identified by University without prior authorization and without complying with [34 TAC §20.285](#), Contractor will be deemed to be in breach of this Agreement under **Section 8** and will be subject to any remedial actions provided by Applicable Laws, including [Chapter 2161, Texas Government Code](#), and [34 TAC §20.285](#). University may report nonperformance under this Agreement to the SPSS in accordance with [34 TAC §§20.285\(g\)\(5\), 20.585](#) and [20.586](#).

12.27 **Responsibility for Individuals Performing Work; Criminal Background Checks.** Each individual who is assigned to perform Work under this Agreement will be an employee of Contractor or an employee of a subcontractor engaged by Contractor. Contractor is responsible for the performance of all individuals performing Work under this Agreement. Prior to commencing Work, Contractor will (1) provide University with a list (**List**) of all individuals who may be assigned to perform Work on University's premises and (2) have an appropriate criminal background screening performed on all the individuals on the List. Contractor will determine on a case-by-case basis whether each individual assigned to perform Work is qualified to provide the services. Contractor will not knowingly assign any individual to provide services on University's premises who has a history of criminal conduct unacceptable for a university campus or healthcare center, including violent or sexual offenses. Contractor will update the List each time there is a change in the individuals assigned to perform Work on University's premises.

Contractor will provide University an updated certification letter each time there is a change in the individuals on the List.

The specifications, representations, warranties and agreements in [Exhibit F](#), Environment Specifications, are binding on Contractor. Contractor agrees to perform Work in compliance with [Exhibit F](#), Environment Specifications.

12.29 **Security Characteristics and Functionality of Contractor's Information Resources.** [Exhibit G](#), Security Characteristics and Functionality of Contractor's Information Resources, establishes specifications, representations, warranties and agreements related to the products and services Contractor is providing to University under this Agreement. The specifications, representations, warranties and agreements in [Exhibit G](#), Security Characteristics and Functionality of Contractor's Information Resources, are binding on Contractor. Contractor agrees to perform Work in compliance with [Exhibit G](#), Security Characteristics and Functionality of Contractor's Information Resources.

- 12.30 **Payment Card Industry Standards.** University is required to validate compliance on a periodic basis with applicable Payment Card Industry Data Security Standards (PCI DSS), including Payment Application Data Security Standards (PA DSS), promulgated by the Payment Card Industry Security Standards Council (PCI SSC). The compliance validation process requires University to undergo an assessment of (1) system components used to process, store or transmit cardholder data, and any other components that reside on the same network segment as those system components, as well as (2) related processes used to process, store or transmit cardholder data, (System Components in Scope). Some or all System Components in Scope have been outsourced to Contractor under this Agreement. Contractor will cause its agents and subcontractors to comply with all terms of this Section applicable to Contractor. Contractor will achieve and maintain compliance under the current versions of PCI DSS and PA DSS published on the PCI SSC website for service providers and payment applications. Contractor will provide to University (1) on or before the date this Agreement is signed by University, and (2) within ten (10) days after each anniversary of the date this Agreement is signed by University, a copy of Contractor's annual attestation of compliance signed by a Qualified Security Assessor (QSA) as described on the PCI SSC website.

If Contractor is unable to provide the required attestations of compliance, Contractor will permit University or University's QSA to assess all System Components in Scope that are hosted or managed by Contractor or by Contractor's agents or subcontractors. Contractor will create and maintain reasonably detailed, complete and accurate documentation describing the systems, processes, network segments, security controls, and dataflow used to receive, transmit, store and secure cardholder data. The documentation will conform to the most current version of PCI DSS. Contractor will, upon written request by University, make the documentation and the individuals responsible for implementing, maintaining and monitoring System Components in Scope available to (1) QSAs, forensic investigators, consultants and attorneys retained by University to facilitate the validation of University's PCI DSS compliance, and (2) University's information technology, information security, audit, compliance and other staff.

Contractor will retain the documentation for at least one (1) year after termination of this Agreement.

- 12.31 **External Terms.** This Agreement completely supplants, replaces, and overrides all other terms and conditions or agreements, written or oral, concerning Contractor's performance or provision of goods or services under this Agreement (**External Terms**). External Terms are null and void and will have no effect under this Agreement, even if University or its employees, contractors, or agents express assent or agreement to External Terms. External Terms include any shrinkwrap, clickwrap, browswrap, web-based terms and conditions of use, and any other terms and conditions displayed in any format that University or its employees, contractors, or agents are required to accept or agree to before or in the course of accessing or using any goods or services provided by Contractor.
- 12.32 **Contractor Certification regarding Boycotting Israel.** Pursuant to [Chapter 2271, Texas Government Code](#), Contractor certifies Contractor (1) does not currently boycott Israel; and (2) will not boycott Israel during the Term of this Agreement. Contractor acknowledges this Agreement may be terminated and payment withheld if this certification is inaccurate.
- 12.33 **Contractor Certification regarding Business with Certain Countries and Organizations.** Pursuant to [Subchapter F, Chapter 2252, Texas Government Code](#), Contractor certifies Contractor is not engaged in business with Iran, Sudan, or a foreign terrorist organization. Contractor acknowledges this Agreement may be terminated and payment withheld if this certification is inaccurate.
- 12.34 **General Data Protection Regulation (GDPR) Applicability.** Some of the University Records Contractor receives, creates or maintains for or on behalf of University constitute Personal Information or Data (as defined by the GDPR). Before Contractor may access, create or maintain such Data, Contractor must execute EXHIBIT H, GDPR Data Protection Addendum. Except as otherwise provided by the GDPR Data Protection Addendum included as EXHIBIT H Contractor agrees to provide University with a copy of the Contractor's GDPR privacy notice which complies with GDPR requirements, including but not limited to detailing the gathering and use of data, an individual's rights under GDPR, and breach notification information. Contractor will provide University with any information necessary to allow University to fulfill its responsibilities as a data controller, as that term is defined by the GDPR, when responding to an inquiry from a data subject, as that term is defined by the GDPR. Such information shall be provided to University no later than 5 days from the day Contractor or University learn of a request for information from a data subject. Except to the extent Section 12.11 conflicts with EXHIBIT H, GDPR Data Protection Addendum, Contractor will comply with Section 12.11 in connection with all Data subject to GDPR.

12.35 **Cybersecurity Training Program.** If Contractor and/or its subcontractors, officers, or employees will have an account on a state computer system (for example, to access a database on that system), then pursuant to Section 2054.5192, *Texas Government Code*, Contractor and its subcontractors, officers, and employees must complete a cybersecurity training program certified under Section 2054.519, *Texas Government Code* and selected by the University. The cybersecurity training program must be completed by Contractor and its subcontractors, officers, and employees during the term and any renewal period of this Agreement. Contractor shall verify completion of the program to the University

## APPENDIX FIVE

### ACCESS BY INDIVIDUALS WITH DISABILITIES

Contractor represents and warrants (**EIR Accessibility Warranty**) the electronic and information resources (EIR) and all associated information, documentation, and support Contractor provides to University under this Agreement (**EIRs**) comply with applicable requirements set forth in [1 TAC Chapter 213](#), and [1 TAC §206.70](#) (ref. [Subchapter M, Chapter 2054, Government Code](#).) To the extent Contractor becomes aware that EIRs, or any portion thereof, do not comply with the EIR Accessibility Warranty, then Contractor represents and warrants it will, at no cost to University, either (1) perform all necessary remediation to make EIRs satisfy the EIR Accessibility Warranty or (2) replace EIRs with new EIRs that satisfy the EIR Accessibility Warranty. If Contractor fails or is unable to do so, University may terminate this Agreement and, within thirty (30) days after termination, Contractor will refund to University all amounts University paid under this Agreement.

## APPENDIX SIX
