INTRODUCTION

1.1 Description of University

Founded in 1914, The University of Texas at El Paso (UTEP or University) is a vibrant top tier public research university of more than 25,000 students enrolled in 170 undergraduate and graduate degree programs. Set against the backdrop of the Franklin Mountains in the Chihuahuan Desert, UTEP is located at the heart of the U.S.-Mexico border in one of the largest binational communities in the world. UTEP maintains one of the lowest out-of-pocket costs of any doctoral research university in the U.S., underscoring its commitment to make education accessible to all. Rigorous program and research opportunities help prepare students to make significant contributions to their professions, their communities and the world. UTEP is designated as an R1 university (top tier doctoral university with very high research activity), one of only 130 in the country.

1.2 Background and Special Circumstances

Through this Request for Proposal (“RFP”), the University is seeking qualified and experienced companies to provide Class Ring Services in accordance with the terms, conditions and requirements set forth in this RFP.

Proposers may review frequently asked questions (FAQs) and the Solicitation Manual at the Miner Mall Sourcing Manager Internet address, www.sourcingmanager.utep.edu.

1.3 Objective of Request for Proposal

The University of Texas at El Paso (“**UTEP**” or “**University**”) is soliciting proposals in response to this RFP from qualified vendors to provide the Class Ring Services set forth in and in compliance with the terms and conditions of this RFP for the University as an independent contractor of the University. Any proposer selected by the University will be subject to and responsible for following and complying with the University facilities rules and regulations set forth by the University and enforced by the University’s facility supervisor or their designee.

This Request for Proposal is designed for the University to obtain an exclusive agent to promote the tradition of a single class ring program for its students and alumni, in addition to the marketing and selling of University rings. By establishing and promoting this program, the University desires to meet its student’s and alumni’s needs, maximize sales and generate significant revenue.

University anticipates that the term of any contract or agreement with a selected Proposer resulting from this RFP (“**Agreement**”) may be for a term of up to five (5) years with two (2) one (1) year options to renew on a year to year basis. A sample Agreement is attached to this RFP as **Appendix Two**.

1.4 Group Purchase Authority

Texas law authorizes institutions of higher education (defined by [§61.003, Education Code](#)) to use the group purchasing procurement method (ref. §§[51.9335](#), [73.115](#), and [74.008](#), *Education Code*). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer under this RFP. In particular, Proposer should note that University is part of The University of Texas System (**UT System**), which is comprised of fourteen institutions described at <http://www.utsystem.edu/institutions>. UT System institutions routinely evaluate whether a contract resulting from a procurement conducted by one of the institutions might be suitable for use by another, and if so, this RFP could give rise to additional purchase volumes. As a result, in submitting its proposal, Proposer should consider proposing a pricing model and other commercial terms that take into account the higher volumes and other expanded opportunities that could result from the eventual inclusion of other institutions in the purchase contemplated by this RFP. Any purchases made by other institutions based on this RFP will be the sole responsibility of those institutions.

SECTION 1

GENERAL INFORMATION

1.1 Purpose

University is soliciting competitive sealed proposals from Proposers having suitable qualifications and experience providing services in accordance with the terms, conditions and requirements set forth in this RFP. This RFP provides sufficient information for interested parties to prepare and submit proposals for consideration by University.

By submitting a proposal, Proposer certifies that it understands this RFP and has full knowledge of the scope, nature, quality, and quantity of services to be performed, the detailed requirements of services to be provided, and the conditions under which services are to be performed. Proposer also certifies that it understands that all costs relating to preparing a response to this RFP will be the sole responsibility of the Proposer.

PROPOSER IS CAUTIONED TO READ THE INFORMATION CONTAINED IN THIS RFP CAREFULLY AND TO SUBMIT A COMPLETE RESPONSE TO ALL REQUIREMENTS AND QUESTIONS AS DIRECTED.

1.2 Inquiries and Interpretations

University may in its sole discretion respond in writing to written inquiries concerning this RFP and mail its response as an Addendum to all parties recorded by University as having received a copy of this RFP. Only University's responses that are made by formal written Addenda will be binding on University. Any verbal responses, written interpretations or clarifications other than Addenda to this RFP will be without legal effect. All Addenda issued by University prior to the Submittal Deadline will be and are hereby incorporated as a part of this RFP for all purposes.

Proposers are required to acknowledge receipt of each Addendum as specified in this Section. The Proposer must acknowledge all Addenda by completing, signing and returning the Addenda Checklist (ref. **Section 4** of **APPENDIX ONE**). The Addenda Checklist must be received by University prior to the Submittal Deadline and should accompany the Proposer's proposal.

Any interested party that receives this RFP by means other than directly from University is responsible for notifying University that it has received an RFP package, and should provide its name, address, telephone and facsimile (**FAX**) numbers, and email address, to University, so that if University issues Addenda to this RFP or provides written answers to questions, that information can be provided to that party. Proposers are required to acknowledge the Addenda documents in Sourcing Manager at the Sourcing Manager Internet address at (<https://adminapps.utep.edu/sourcing/>).

1.3 Public Information

Proposer is hereby notified that University strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information.

University may seek to protect from disclosure all information submitted in response to this RFP until such time as a final agreement is executed.

Upon execution of a final agreement, University will consider all information, documentation, and other materials requested to be submitted in response to this RFP, to be of a non-confidential and non-proprietary nature and, therefore, subject to public disclosure under the *Texas Public Information Act* (ref. [Chapter 552, Government Code](#)). Proposer will be advised of a request for public information that implicates their materials and will have the opportunity to raise any objections to disclosure to the Texas Attorney General. Certain information may be protected from release under §§[552.101](#), [552.104](#), [552.110](#), [552.113](#), and [552.131](#), *Government Code*.

1.4 Type of Agreement

Contractor, if any, will be required to enter into a contract with University in a form substantially similar to the Agreement between University and Contractor attached to this RFP as **APPENDIX TWO**, and otherwise acceptable to University in all respects (**Agreement**).

1.5 Proposal Evaluation Process

University will select Contractor by using the competitive sealed proposal process described in this Section. Any proposals that are not submitted by the Submittal Deadline or that are not accompanied by required number of completed and signed originals of the HSP will be rejected by University as non-responsive due to material failure to comply with this RFP (ref. **Section 2.5.4**). Upon completion of the initial review and evaluation of proposals, University may invite one or more selected Proposers to participate in oral presentations. University will use commercially reasonable efforts to avoid public disclosure of the contents of a proposal prior to selection of Contractor.

University may make the selection of Contractor on the basis of the proposals initially submitted, without discussion, clarification or modification. In the alternative, University may make the selection of Contractor on the basis of negotiation with any of the Proposers. In conducting negotiations, University will use commercially reasonable efforts to avoid disclosing the contents of competing proposals.

University may discuss and negotiate all elements of proposals submitted by Proposers within a specified competitive range. For purposes of negotiation, University may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, University may defer further action on proposals not included within the competitive range pending the selection of Contractor; provided, however, University reserves the right to include additional proposals in the competitive range if deemed to be in the best interest of University.

After the Submittal Deadline but before final selection of Contractor, University may permit Proposer to revise its proposal in order to obtain the Proposer's best and final offer. In that event, representations made by Proposer in its revised proposal, including price and fee quotes, will be binding on Proposer. University will provide each Proposer within the competitive range with an equal opportunity for discussion and revision of its proposal. University is not obligated to select the Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to University overall, as determined by University.

University reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFP with one or more Proposers, (b) reject any and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or permanently abandon this selection process, if deemed to be in the best interests of University. Proposer is hereby notified that University will maintain in its files concerning this RFP a written record of the basis upon which a selection, if any, is made by University.

1.6 Proposer's Acceptance of RFP Terms

Proposer (1) accepts [a] Proposal Evaluation Process (ref. **Section 1.5 of APPENDIX ONE**), [b] Criteria for Selection (ref. **Section 2.3**), [c] Specifications and Additional Questions (ref. **Section 5**), [d] terms and conditions of the Agreement (ref. **APPENDIX TWO**), and [e] all other requirements and specifications set forth in this RFP; and (2) acknowledges that some subjective judgments must be made by University during this RFP process.

Proposer understands and agrees that (1) this RFP is a solicitation for proposals and University has made no representation written or oral that one or more agreements with University will be awarded under this RFP; (2) University issues this RFP predicated on University's anticipated requirements for Work, and University has made no representation, written or oral, that any particular scope of work will actually be required by University; and (3) Proposer will bear, as its sole risk and responsibility, any cost that arises from Proposer's preparation of a proposal in response to this RFP.

Emphasis should be on completeness, clarity of content, and responsiveness to the requirements and specifications of this RFP.
- 1.8.6 University makes no warranty or guarantee that an award will be made as a result of this RFP. University reserves the right to accept or reject any or all proposals, waive any formalities, procedural requirements, or minor technical inconsistencies, and delete any requirement or specification from this RFP or the Agreement when deemed to be in University's best interest. University reserves the right to seek clarification from any Proposer concerning any item contained in its proposal prior to final selection. Such clarification may be provided by telephone conference or personal meeting with or writing to University, at University's sole discretion. Representations made by Proposer within its proposal will be binding on Proposer.

12.19.1.1 Contractor's claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business will be submitted to the negotiation process provided in [subchapter B](#) of Chapter 2260. To initiate the process, Contractor will submit written notice, as required by [subchapter B](#) of Chapter 2260, to University in accordance with the notice provisions in this Agreement. Contractor's notice will specifically state that the provisions of [subchapter B](#) of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that University allegedly breached, the amount of damages Contractor seeks, and the method used to calculate the damages. Compliance by Contractor with [subchapter B](#) of Chapter 2260 is a required prerequisite to Contractor's filing of a contested case proceeding under [subchapter C](#) of Chapter 2260. The chief business officer of University, or another officer of University as may be designated from time to time by University by written notice to Contractor in accordance with the notice provisions in this Agreement, will examine Contractor's claim and any counterclaim and negotiate with Contractor in an effort to resolve the claims.

12.19.1.2 If the parties are unable to resolve their disputes under **Section 12.19.1.1**, the contested case process provided in [subchapter C](#) of Chapter 2260 is Contractor's sole and exclusive process for seeking a remedy for any and all of Contractor's claims for breach of this Agreement by University.

12.19.1.3 Compliance with the contested case process provided in [subchapter C](#) of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under [Chapter 107, Texas Civil Practices and Remedies Code](#). The parties hereto specifically agree that (i) neither the execution of this Agreement by University nor any other conduct, action or inaction of any representative of University relating to this Agreement constitutes or is intended to constitute a waiver of University's or the state's sovereign immunity to suit and (ii) University has not waived its right to seek redress in the courts.

12.19.2 The submission, processing and resolution of Contractor's claim is governed by the published rules adopted by the Texas Attorney General pursuant to [Chapter 2260](#), as currently effective, thereafter enacted or subsequently amended.

12.19.3 University and Contractor agree that any periods provided in this Agreement for notice and cure of defaults are not waived.

12.20 **Undocumented Workers.** The *Immigration and Nationality Act* ([8 USC §1324a](#)) (**Immigration Act**) makes it unlawful for an employer to hire or continue employment of undocumented workers. The United States Immigration and Customs Enforcement Service has established the [Form I-9 Employment Eligibility Verification Form \(I-9 Form\)](#) as the document to be used for employment eligibility verification ([8 CFR §274a](#)). Among other things, Contractor is required to: (1) have all employees complete and sign the I-9 Form certifying that they are eligible for employment; (2) examine verification documents required by the I-

9 Form to be presented by the employee and ensure the documents appear to be genuine and related to the individual; (3) record information about the documents on the I-9 Form, and complete the certification portion of the I-9 Form; and (4) retain the I-9 Form as required by Applicable Laws. It is illegal to discriminate against any individual (other than a citizen of another country who is not authorized to work in the United States) in hiring, discharging, or recruiting because of that individual's national origin or citizenship status. If Contractor employs unauthorized workers during performance of this Agreement in violation of the Immigration Act then, in addition to other remedies or penalties prescribed by Applicable Laws, University may terminate this Agreement in accordance with **Section 8**. Contractor represents and warrants that it is in compliance with and agrees that it will remain in compliance with the provisions of the Immigration Act.

- 12.21 **Limitations.** THE PARTIES ARE AWARE THERE ARE CONSTITUTIONAL AND STATUTORY LIMITATIONS (**LIMITATIONS**) ON THE AUTHORITY OF UNIVERSITY (A STATE AGENCY) TO ENTER INTO CERTAIN TERMS AND CONDITIONS THAT MAY BE PART OF THIS AGREEMENT, INCLUDING TERMS AND CONDITIONS RELATING TO LIENS ON UNIVERSITY'S PROPERTY; DISCLAIMERS AND LIMITATIONS OF WARRANTIES; DISCLAIMERS AND LIMITATIONS OF LIABILITY FOR DAMAGES; WAIVERS, DISCLAIMERS AND LIMITATIONS OF LEGAL RIGHTS, REMEDIES, REQUIREMENTS AND PROCESSES; LIMITATIONS OF PERIODS TO BRING LEGAL ACTION; GRANTING CONTROL OF LITIGATION OR SETTLEMENT TO ANOTHER PARTY; LIABILITY FOR ACTS OR OMISSIONS OF THIRD PARTIES; PAYMENT OF ATTORNEYS' FEES; DISPUTE RESOLUTION; INDEMNITIES; AND CONFIDENTIALITY, AND TERMS AND CONDITIONS RELATED TO LIMITATIONS WILL NOT BE BINDING ON UNIVERSITY EXCEPT TO THE EXTENT AUTHORIZED BY THE LAWS AND CONSTITUTION OF THE STATE OF TEXAS.
- 12.22 **Ethics Matters; No Financial Interest.** Contractor and its employees, agents, representatives and subcontractors have read and understand University's Conflicts of Interest Policy at <https://www.utep.edu/compliance/>, University's Standards of Conduct Guide at <https://www.utep.edu/compliance/>, and applicable state ethics laws and rules at <https://www.utsystem.edu/offices/systemwide-compliance/ethics>. Neither Contractor nor its employees, agents, representatives or subcontractors will assist or cause University employees to violate University's Conflicts of Interest Policy, University's Standards of Conduct Guide, or applicable state ethics laws or rules. Contractor represents and warrants that no member of the Board has a direct or indirect financial interest in the transaction that is the subject of this Agreement.
- 12.23 **Intentionally Left Blank**
- 12.24 **Enforcement.** Contractor agrees and acknowledges that University is entering into this Agreement in reliance on Contractor's special and unique knowledge and abilities with respect to performing Work. Contractor's services provide a peculiar value to University. University cannot be reasonably or adequately compensated in damages for the loss of Contractor's services. Accordingly, Contractor acknowledges and agrees that a breach by Contractor of the provisions of this Agreement will cause University irreparable injury and damage. Contractor, therefore, expressly agrees that University will be entitled to injunctive and/or other equitable relief in any court of competent jurisdiction to prevent or otherwise restrain a breach of this Agreement.
- 12.25 **Access by Individuals with Disabilities.** Contractor represents and warrants (**EIR Accessibility Warranty**) the electronic and information resources and all associated information, documentation, and support Contractor provides to University under this Agreement (**EIRs**) comply with applicable requirements in [1 TAC Chapter 213](#) and [1 TAC §206.70](#) (ref. [Subchapter M, Chapter 2054, Texas Government Code](#)). To the extent Contractor becomes aware the EIRs, or any portion thereof, do not comply with the EIR Accessibility Warranty, then Contractor represents and warrants it will, at no cost to University, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. If Contractor fails or is unable to do so, University may terminate this Agreement and, within thirty (30) days after termination, Contractor will refund to University all amounts University paid under this Agreement. Contractor will provide all assistance and cooperation necessary for performance and documentation of accessibility testing, planning, and execution criteria conducted by University or University's third party testing resources, as required by [1 TAC §213.38\(g\)](#).
- 12.26 **Historically Underutilized Business Subcontracting Plan.** Contractor agrees to use good faith efforts to subcontract Work in accordance with the Historically Underutilized Business Subcontracting Plan (**HSP**) (ref. **Exhibit D**). Contractor agrees to maintain business records documenting its compliance with the HSP and to submit a monthly compliance report to University in the format required by the Statewide Procurement and Statewide Support Services Division of the Texas Comptroller of Public Accounts or successor entity (collectively, **SPSS**). Submission of compliance reports will be required as a condition for payment under this

Agreement. If University determines that Contractor has failed to subcontract as set out in the HSP, University will notify Contractor of any deficiencies and give Contractor an opportunity to submit documentation and explain why the failure to comply with the HSP should not be attributed to a lack of good faith effort by Contractor. If University determines that Contractor failed to implement the HSP in good faith, University, in addition to any other remedies, may report nonperformance to the SPSS in accordance with [34 TAC §§20.285\(g\)\(5\), 20.585](#) and [20.586](#). University may also revoke this Agreement for breach and make a claim against Contractor.

12.26.1 **Changes to the HSP.** If at any time during the Term, Contractor desires to change the HSP, before the proposed changes become effective (a) Contractor must comply with [34 TAC §20.285](#); (b) the changes must be reviewed and approved by University; and (c) if University approves changes to the HSP, this Agreement must be amended in accordance with **Section 12.6** to replace the HSP with the revised subcontracting plan.

12.26.2 **Expansion of Work.** If University expands the scope of Work through a change order or any other amendment, University will determine if the additional Work contains probable subcontracting opportunities *not* identified in the initial solicitation for Work. If University determines additional probable subcontracting opportunities exist, Contractor will submit an amended subcontracting plan covering those opportunities. The amended subcontracting plan must comply with the provisions of [34 TAC §20.285](#) before (a) this Agreement may be amended to include the additional Work; or (b) Contractor may perform the additional Work. If Contractor subcontracts any of the additional subcontracting opportunities identified by University without prior authorization and without complying with [34 TAC §20.285](#), Contractor will be deemed to be in breach of this Agreement under **Section 8** and will be subject to any remedial actions provided by Applicable Laws, including [Chapter 2161, Texas Government Code](#), and [34 TAC §20.285](#). University may report nonperformance under this Agreement to the SPSS in accordance with [34 TAC §§20.285\(g\)\(5\), 20.585](#) and [20.586](#).

12.27 **Responsibility for Individuals Performing Work; Criminal Background Checks.** Each individual who is assigned to perform Work under this Agreement will be an employee of Contractor or an employee of a subcontractor engaged by Contractor. Contractor is responsible for the performance of all individuals performing Work under this Agreement. Prior to commencing Work, Contractor will (1) provide University with a list (**List**) of all individuals who may be assigned to perform Work on University's premises and (2) have an appropriate criminal background screening performed on all the individuals on the List. Contractor will determine on a case-by-case basis whether each individual assigned to perform Work is qualified to provide the services. Contractor will not knowingly assign any individual to provide services on University's premises who has a history of criminal conduct unacceptable for a university campus or healthcare center, including violent or sexual offenses. Contractor will update the List each time there is a change in the individuals assigned to perform Work on University's premises.

Prior to commencing performance of Work under this Agreement, Contractor will provide University a letter signed by an authorized representative of Contractor certifying compliance with this Section. Contractor will provide University an updated certification letter each time there is a change in the individuals on the List.

12.28 **EIR Environment Specifications.** [Exhibit E](#), Environment Specifications, establishes specifications, representations, warranties and agreements related to the environment specifications of EIR that Contractor is providing to University under this Agreement. The specifications, representations, warranties and agreements in [Exhibit E](#), Environment Specifications, are binding on Contractor. Contractor agrees to perform Work in compliance with [Exhibit E](#), Environment Specifications.

12.29 **Security Characteristics and Functionality of Contractor's Information Resources.** [Exhibit F](#), Security Characteristics and Functionality of Contractor's Information Resources, establishes specifications, representations, warranties and agreements related to the products and services Contractor is providing to University under this Agreement. The specifications, representations, warranties and agreements in [Exhibit F](#), Security Characteristics and Functionality of Contractor's Information Resources, are binding on Contractor. Contractor agrees to perform Work in compliance with [Exhibit F](#), Security Characteristics and Functionality of Contractor's Information Resources.

- 12.30 **Payment Card Industry Standards.** University is required to validate compliance on a periodic basis with applicable Payment Card Industry Data Security Standards (PCI DSS), including Payment Application Data Security Standards (PA DSS), promulgated by the Payment Card Industry Security Standards Council (PCI SSC). The compliance validation process requires University to undergo an assessment of (1) system components used to process, store or transmit cardholder data, and any other components that reside on the same network segment as those system components, as well as (2) related processes used to process, store or transmit cardholder data, (System Components in Scope). Some or all System Components in Scope have been outsourced to Contractor under this Agreement. Contractor will cause its agents and subcontractors to comply with all terms of this Section applicable to Contractor. Contractor will achieve and maintain compliance under the current versions of PCI DSS and PA DSS published on the PCI SSC website for service providers and payment applications. Contractor will provide to University (1) on or before the date this Agreement is signed by University, and (2) within ten (10) days after each anniversary of the date this Agreement is signed by University, a copy of Contractor's annual attestation of compliance signed by a Qualified Security Assessor (QSA) as described on the PCI SSC website.

If Contractor is unable to provide the required attestations of compliance, Contractor will permit University or University's QSA to assess all System Components in Scope that are hosted or managed by Contractor or by Contractor's agents or subcontractors. Contractor will create and maintain reasonably detailed, complete and accurate documentation describing the systems, processes, network segments, security controls, and dataflow used to receive, transmit, store and secure cardholder data. The documentation will conform to the most current version of PCI DSS. Contractor will, upon written request by University, make the documentation and the individuals responsible for implementing, maintaining and monitoring System Components in Scope available to (1) QSAs, forensic investigators, consultants and attorneys retained by University to facilitate the validation of University's PCI DSS compliance, and (2) University's information technology, information security, audit, compliance and other staff.

Contractor will retain the documentation for at least one (1) year after termination of this Agreement.

- 12.31 **External Terms.** This Agreement completely supplants, replaces, and overrides all other terms and conditions or agreements, written or oral, concerning Contractor's performance or provision of goods or services under this Agreement (**External Terms**). External Terms are null and void and will have no effect under this Agreement, even if University or its employees, contractors, or agents express assent or agreement to External Terms. External Terms include any shrinkwrap, clickwrap, browswrap, web-based terms and conditions of use, and any other terms and conditions displayed in any format that University or its employees, contractors, or agents are required to accept or agree to before or in the course of accessing or using any goods or services provided by Contractor.
- 12.32 **Contractor Certification regarding Boycotting Israel.** Pursuant to [Chapter 2271, Texas Government Code](#), Contractor certifies Contractor (1) does not currently boycott Israel; and (2) will not boycott Israel during the Term of this Agreement. Contractor acknowledges this Agreement may be terminated and payment withheld if this certification is inaccurate.
- 12.33 **Contractor Certification regarding Business with Certain Countries and Organizations.** Pursuant to [Subchapter F, Chapter 2252, Texas Government Code](#), Contractor certifies Contractor is not engaged in business with Iran, Sudan, or a foreign terrorist organization. Contractor acknowledges this Agreement may be terminated and payment withheld if this certification is inaccurate.
- 12.35 **Cybersecurity Training Program.** If Contractor and/or its subcontractors, officers, or employees will have an account on a state computer system (for example, an account to an application, database, or network), then pursuant to [Section 2054.5192, Texas Government Code](#), Contractor and its subcontractors, officers, and employees must complete a cybersecurity training program certified under [Section 2054.519, Texas Government Code](#) and selected by the University. The cybersecurity training program must be completed by Contractor and its subcontractors, officers, and employees during the term and any renewal period of this Agreement. Contractor shall verify completion of the program to the University.
- 12.36 **Limited Access; Space License.** Contractor, its employees, representatives, agents, and subcontractors, will have the right to use and access only the location defined in **Exhibit I** (the "Space") to perform the Services and will have no right to use or access any other University facilities. University will permit Contractor to use the Space in accordance with the license contained in this Section. University licenses the Space in its current, "as is" condition to Contractor for use by Contractor and its employees,

representatives, agents, and subcontractors in the performance of the Services and for no other purpose. This is a non-exclusive license to use the Space. University may enter the Space at any time for any reason. No unlawful activities will be permitted in the use of the Space. Contractor will comply with all Applicable Laws in connection with the use of the Space. Contractor will cause all of its employees, representatives, agents, and subcontractors to observe and comply with all Applicable Laws. Contractor will not modify, alter or repair the Space or any other University facilities without the prior written approval of University and with project management of renovations by University.

Contractor will not harm the Space or make any use of the Space that is offensive as determined by University. Upon expiration or termination of this Agreement for any reason, Contractor will remove all Contractor personal property, equipment and other effects from the Space, repair any damage caused by the removal, and peaceably deliver up the Space in clean condition and in good order, repair and condition, ordinary wear and tear excepted. Any personal property, equipment, or other effects of Contractor not removed within two (2) days following the termination will be deemed abandoned by Contractor and University may dispose of the property, equipment, or effects in any manner it chooses, with no liability or reimbursement obligation to Contractor.

Contractor will not suffer any mechanic's lien to be filed against the Space or the adjoining facilities by reason of any work, labor, services, or materials performed at or furnished to the Space for Contractor. Nothing in this Agreement will be construed as the consent of University to subject University's estate in the Space or adjoining facilities to any lien.

The Space is sufficiently equipped for Contractor to provide the Services in accordance with the terms and conditions of this Agreement.

UNIVERSITY WILL NOT BE RESPONSIBLE FOR INTERRUPTIONS IN UTILITY SERVICE TO THE SPACE. HOWEVER, UNIVERSITY WILL EXERCISE REASONABLE DILIGENCE IN PURSUING THE RESTORATION OF INTERRUPTED UTILITY SERVICE.

UNIVERSITY WILL NOT BE LIABLE TO CONTRACTOR, OR CONTRACTOR'S EMPLOYEES, REPRESENTATIVES, AGENTS, SUBCONTRACTORS, GUESTS OR INVITEES (COLLECTIVELY, "**CONTRACTOR PARTIES**"), FOR ANY LOSS, EXPENSE OR DAMAGE EITHER TO PERSON OR PROPERTY SUSTAINED BY REASON OF ANY CONDITION OF THE SPACE, OR DUE TO ANY ACT OF ANY EMPLOYEE OR AGENT OF UNIVERSITY, OR THE ACT OF ANY OTHER PERSON WHATSOEVER. UNIVERSITY, ITS EMPLOYEES, REPRESENTATIVES AND AGENTS WILL NOT BE LIABLE FOR AND CONTRACTOR WAIVES ALL CLAIMS FOR DAMAGE TO PERSON OR PROPERTY SUSTAINED BY ANY CONTRACTOR PARTIES, RESULTING FROM ANY ACCIDENT OR OCCURRENCE IN OR UPON THE SPACE OR THE ADJOINING GROUNDS OR FACILITIES. CONTRACTOR WILL PAY ON DEMAND UNIVERSITY'S EXPENSES INCURRED IN ENFORCING ANY OBLIGATION OF CONTRACTOR UNDER THIS LICENSE.

- 12.37 **FERPA Compliance.** Some of the University Records Contractor receives, creates or maintains for or on behalf of University constitute **Education Records** (as defined by [FERPA](#)), or **Personally Identifiable Information from Education Records** (as defined by [FERPA](#)) (collectively, **FERPA Data**). Before Contractor may access, create or maintain any of University's FERPA Data, Contractor must execute **EXHIBIT J**, FERPA Confidentiality and Security Addendum. **EXHIBIT J**, FERPA Confidentiality and Security Addendum, contains terms required by University to ensure that Contractor complies with FERPA (including the requirements of [34 CFR §99.33\(a\)](#)) and University Rules related to FERPA, including (i) a description of all FERPA Data subject to this Agreement, and (ii) recognition that University retains the right to control Contractor's access, use, and disclosure of all FERPA Data. Except to the extent **Section 12.11** conflicts with **EXHIBIT J**, FERPA Confidentiality and Security Addendum, Contractor will comply with **Section 12.11** in connection with all FERPA Data. To the extent that **EXHIBIT J**, FERPA Confidentiality and Security Addendum, conflicts with any term contained in this Agreement, the terms of **EXHIBIT J**, FERPA Confidentiality and Security Addendum, will control.

In particular, “Privacy Laws” includes the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the Family Educational Rights and Privacy Act (FERPA), the Identity Theft Enforcement and Protection Act (ITEPA), the GDPR and other applicable laws that specify privacy, security or security breach notification obligations that affect the Personal Information or the provision of the services by Contractor.
- (d) “Process” or “Processing” means any operation or set of operations which is performed upon Personal Information, whether or not by automatic means, such as collection, compilation, use, disclosure, duplication, organization, storage, alteration, transfer, transmission, combination, redaction, erasure, or destruction.
- (e) “Security Breach” means a “personal data breach” (as defined in the GDPR), a “breach of the security of a system” or similar term (as defined in any other applicable Privacy Law) or any other event that compromises the security, confidentiality or integrity of Personal Information.
- (f) “Sensitive Personal Information” is a subset of Personal Information, which due to its nature has been classified by law or by University policy as deserving additional privacy and security protections. Sensitive Personal Information consists of: (i) all government-issued identification numbers, (ii) all financial account numbers (including payment card information and health insurance numbers), (iii) individual medical records, genetic and biometric information, (iv) all data obtained from a U.S. consumer reporting agency (such as employee background investigation reports, credit reports, and credit scores), (v) user account credentials, such as usernames, passwords, security questions/answers and other password recovery data, (v) data elements that constitute “Special Categories of Data”, as defined by Article 9 under the GDPR, namely “Personal Information” revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union membership, and the processing of genetic data, biometric data for the purpose of uniquely identifying a natural person, data concerning health or data concerning a natural person's sex life or sexual orientation.

- (b) Contractor will promptly inform University in writing:
 - (i) if it is not in compliance with or cannot comply with any material term of this Addendum or of the Underlying Agreement, including any such term regarding the Services. In addition to any other rights of the University under this Addendum, the Underlying Agreement, or applicable law or regulation, in the event of such notice University at its sole discretion may (1) permit Contractor to use reasonable efforts to remedy any such non-compliance or (2) terminate Contractor’s further Processing of Personal Information under this Addendum and the Underlying Agreement;

1. **FERPA.** The Parties understand and agree that:
 - 1.1 As part of the work (**Work**) that Contractor will provide pursuant to the Underlying Agreement, Contractor is expected to create, receive or maintain, records or record systems from or on behalf of University that (a) are subject to FERPA or (b) contain personally identifiable information from “Education Records” as defined by and subject to FERPA (collectively, **FERPA Records**) namely: Name of purchaser, address, year of graduation, alumni or student sale. FERPA Records include all data in any form whatsoever, including electronic, written and machine readable form.
 - 1.2 Notwithstanding any other provision of the Underlying Agreement, this Addendum or any other agreement, all FERPA Records created, received or maintained by Contractor pursuant to the Underlying Agreement will remain the sole and exclusive property of University.
2. **FERPA Compliance.** In connection with all FERPA Records that Contractor may create, receive or maintain on behalf of University pursuant to the Underlying Agreement, Contractor is designated as a University Official with a legitimate educational interest in and with respect to such FERPA Records, only to the extent to which Contractor (a) is required to create, receive or maintain FERPA Records to carry out the Underlying Agreement, and (b) understands and agrees to all of the following terms and conditions *without reservation*:
 - 2.1 **Prohibition on Unauthorized Use or Disclosure of FERPA Records:** Contractor will hold University FERPA Records in strict confidence. Contractor will not use or disclose FERPA Records received from or on behalf of University, including any FERPA Records provided by a University student directly to Contractor, except as permitted or required by the Underlying Agreement or this Addendum.
 - 2.2 **Maintenance of the Security of FERPA Records:** Contractor will use the administrative, technical and physical security measures, including secure encryption in the case of electronically maintained or transmitted FERPA Records, approved by University and that are at least as stringent as the requirements of UT System Information and Resource Use & Security Policy, UTS165 at <http://www.utsystem.edu/board-of-regents/policy-library/policies/uts165-information-resources-use-and-security-policy>, to preserve the confidentiality and security of all FERPA Records received from, or on behalf of University, its students or any third party pursuant to the Underlying Agreement.
 - 2.3 **Reporting of Unauthorized Disclosures or Misuse of FERPA Records and Information:** Contractor, within one (1) day after discovery, will report to University any use or disclosure of FERPA Records not authorized by this Addendum. Contractor’s report will identify: (i) the nature of the unauthorized use or disclosure, (ii) the FERPA Records used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what Contractor has done or will do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action Contractor has taken or will take to prevent future similar unauthorized use or disclosure. Contractor will provide such other information, including written reports, as reasonably requested by University. For purposes of this **Section 2.3**, an unauthorized disclosure or use includes any access or use of an “Education Record” (as defined by FERPA) by a

Contractor employee or agent that the employee or agent does not require to perform Work or access by any employee or agent that does not involve the provision of Work.

- 2.4 **Right to Audit:** If University has a reasonable basis to believe that Contractor is not in compliance with the terms of this Addendum, University may audit Contractor's compliance with FERPA as Contractor's compliance relates to University's FERPA Records maintained by Contractor.
- 2.5 **Five Year Exclusion for Improper Disclosure of Education Records.** Under the federal regulations implementing FERPA, improper disclosure or redisclosure of personally identifiable information from University's "Education Records" (as defined by FERPA) by Contractor or its employees or agents may result in Contractor's complete exclusion from eligibility to contract with University for at least five (5) years.
3. **Return or Secure Destruction of FERPA Records.** Contractor agrees that no later than 30 days after expiration or termination of the Underlying Agreement or this Addendum for any reason, or within thirty (30) days after University's written request, Contractor will halt all access, use, creation, or processing of FERPA Records and will return to University or Securely Destroy all FERPA Records, including any copies created by Contractor or any subcontractor; and Contractor will certify in writing to University that all FERPA records have been returned to University or Securely Destroyed. **Secure Destruction, Securely Destroy and Securely Destroyed** mean shredding, erasing or otherwise modifying a record so as to make it unreadable or indecipherable.
4. **Disclosure.** Contractor will restrict disclosure of FERPA Records solely to those employees, subcontractors, or agents of Contractor that have a need to access the FERPA Records in order for Contractor to perform its obligations under the Underlying Agreement or this Addendum. If Contractor discloses any FERPA Records to a subcontractor or agent, Contractor will require the subcontractor or agent to comply with restrictions and obligations that align with the restrictions and obligations imposed on Contractor by the Underlying Agreement and this Addendum, including requiring each subcontractor or agent to agree to the same restrictions and obligations in writing.
5. **Termination.** This Addendum will remain in effect until the earlier of (a) expiration or termination of the Underlying Agreement, or (b) the date University terminates this Addendum by giving Contractor sixty (60) days' written notice of University's intent to terminate. **Sections 2, 3, 4, and 6** of this Addendum will survive expiration or termination of the Underlying Agreement and this Addendum.
6. **Breach.** In the event of a breach, threatened breach or intended breach of this Addendum by Contractor, University (in addition to any other rights and remedies available to University at law or in equity) will be entitled to preliminary and final injunctions, enjoining and restraining such breach, threatened breach or intended breach.

ACCESS BY INDIVIDUALS WITH DISABILITIES

Access by Individuals with Disabilities: Contractor represents and warrants (**EIR Accessibility Warranty**) the electronic and information resources and all associated information, documentation, and support Contractor provides to University under this Agreement (**EIRs**) comply with applicable requirements in [1 TAC Chapter 213](#) and [1 TAC §206.70](#) (ref. [Subchapter M, Chapter 2054, Texas Government Code](#)). To the extent Contractor becomes aware the EIRs, or any portion thereof, do not comply with the EIR Accessibility Warranty, then Contractor represents and warrants it will, at no cost to University, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. If Contractor fails or is unable to do so, University may terminate this Agreement and, within thirty (30) days after termination, Contractor will refund to University all amounts University paid under this Agreement. Contractor will provide all assistance and cooperation necessary for performance and documentation of accessibility testing, planning, and execution criteria conducted by University or University's third party testing resources, as required by [1 TAC §213.38\(g\)](#).
