

Spring 2026 Final Examination Schedule

Exam Policy

Exemption from the final examination may not be given. Final examinations are scheduled to be two hours, forty-five minutes in length and take place during the final examination period. It is the policy of the university not to administer a second final examination in the course. It is also university policy that students should not have more than two final examinations in a single day. In the unlikely event that the examination schedule results in a student having three final examinations on a single day, the faculty member upon the request of the student shall reschedule the second of that student's three examinations. Listed below are the final examination schedules. It is the student's responsibility to check this schedule carefully. Confusion as to the exam time will not be accepted as a valid reason for missing an examination.

Alternate Part of Term Exams

Alternate part of Term exams follows a different exam schedule. Final exams for alternate part of terms are given on the last day of the part of term. Please check with the scheduling office for specific date at scheduling@utep.edu

NOTE TO FACULTY:

Courses being taught at a non-standard meeting time do not have a final exam time slot on the exam table. Faculty should email the Scheduling Office to reserve a special time for their final exam at scheduling@utep.edu Please include your course CRN on your email request.

NOTE TO STUDENTS:

Please contact your course instructor if you do not see your final exam time on the table below.
