UTEP
RESEARCH & INNOVATION

GMA - Support Center

The GMA Support Center supports the university with the review of all documents processed in PeopleSoft with grant funding. We assist in researching any issues you encounter on grants. If you don't know who to contact, CONTACT US!

Our highly skilled team is prepared to assist and guide departments with any inquiries related to our core responsibilities.

Core Responsibilities

- Student Notice of Awards (SNOA)
- Eforms & Eform Overrides
- Appointment Database
- Expense Reports
- SEAR Request
- CDA Requests (Wireless communication Device)
- 90-Day Retro Requests
- APS Forms (Authorization for Consulting Services)
- Overdrafts – From identifying, researching and resolution
- Project Closeout Review
- Double Deductions Review and Corrections
- Campus Training
