

THE UNIVERSITY OF TEXAS AT EL PASO

Institutional Animal Care & Use Committee

LARC Holding Protocol Form

- No experimental or instructional animal procedures are allowed while animals are on the UTEP Holding Protocol
- The original protocol's Principal Investigator (PI) or their designee must complete this form.
- Day-to-day animal care costs and responsibilities will still be the sole responsibility of the original PI.
- Only one Protocol may be added to a Holding Protocol; additional Holding Protocol Forms & Animal Transfer Forms may be required.
- For more information, refer to UTEP IACUC Policy #21
- The completed IACUC Holding Protocol form should be emailed to: iacuc@utep.edu
