

Awards & Honorifics

R&I is dedicated to honoring faculty with internal award opportunities as well as connecting faculty with highly prestigious awards and honorifics.

Internal and External Awards/Honorifics

Research & Innovation Annual Awards

Every year, R&I honors faculty members who have contributed significant research and innovation in the arts, health, STEM, social sciences, and education. Awards are designed to honor faculty different career stages. Awardees are honored at an annual dinner event.

External Awards & Honorifics

Research & Innovation is dedicated to identifying highly prestigious external award opportunities for faculty at UTEP. These awards highlight the scholarly work and contributions UTEP faculty make in their fields.
