

GRANT MANAGEMENT ACCOUNTING

GMA

Supporting Research Managing Resources Advancing UTEP

Grant Management Accounting (GMA) provides post-award financial management and support for UTEP's sponsored projects.

Our Commitment

GMA is committed to providing accurate, responsive, and efficient post-award financial support while promoting compliance with sponsor and University requirements.

Our Impact

We protect and manage research funding so UTEP's researchers can focus on advancing knowledge and innovation.

HOW WE SUPPORT

Grants Accounting

Provides financial oversight of sponsored projects, including award setup, financial transactions, cost share, reconciliations, reporting, and closeout.

Cash Management

Manages sponsored project billing, invoicing, accounts receivable, sponsor payments, deposits, refunds, and financial reconciliation.

Support Center

Serves as a central resource for grant-funded transactions, document review, troubleshooting, overdrafts, and overall grant support.
