

RESEARCH INTELLIGENCE

RI

Strategic Insight Stronger Decisions

We believe an R1, Hispanic-Serving research university with UTEP's momentum deserves better: a strategy built on foresight, not hindsight.

Research Intelligence transforms data into foresight, enabling leadership to actively define the future instead of reacting to the past.

Informed decisions start with data.
Partner with Research Intelligence to find your next move.

Our Approach

Connect Across UTEP
Collaborating across campus to see the full picture.

Benchmark with Purpose
Measuring our position against R1 and Hispanic-Serving peers.

Track What's Next
Monitoring emerging trends and priorities in research and funding.

Leverage AI & Machine Learning
Using advanced analytics to uncover patterns and opportunities.

Rely on Trusted Data
Grounding our work in validated, third-party sources.

UTEP RESEARCH & INNOVATION
