I’m majoring in…Physics

Degrees offered at UTEP are the B.A., B.S. and M.S.

- B.A. in Physics (College of Liberal Arts requires Mathematics for the Physics B.A. degree)
- B.S. in Physics (with a Applied Physics Concentration, with a Medical Physics Concentration, Atmospheric Physics Concentration, or no concentration)
- Masters of Science in Physics (With research in astrophysics, atmospheric physics and optics, computational physics, condensed matter and surface physics, geophysics, nuclear, physics education, and biophysics)
- Masters of Science in Geophysics
- Masters of Science in Medical Physics
- Masters of Teaching (Math 8-12 Certification)
