

## Impact Report 2018: Graduate & Professional Schools Fair

On October 2, 2018, the University of Texas at El Paso welcomed 80 graduate school programs, including UTEP's College of Education, College of Engineering, College of Health Sciences, College of Liberal Arts, School of Pharmacy and the Graduate School, in an effort to serve students with various options. We strove to serve students with programs for medicine & related programs, and law, in addition to general graduate-level study options.

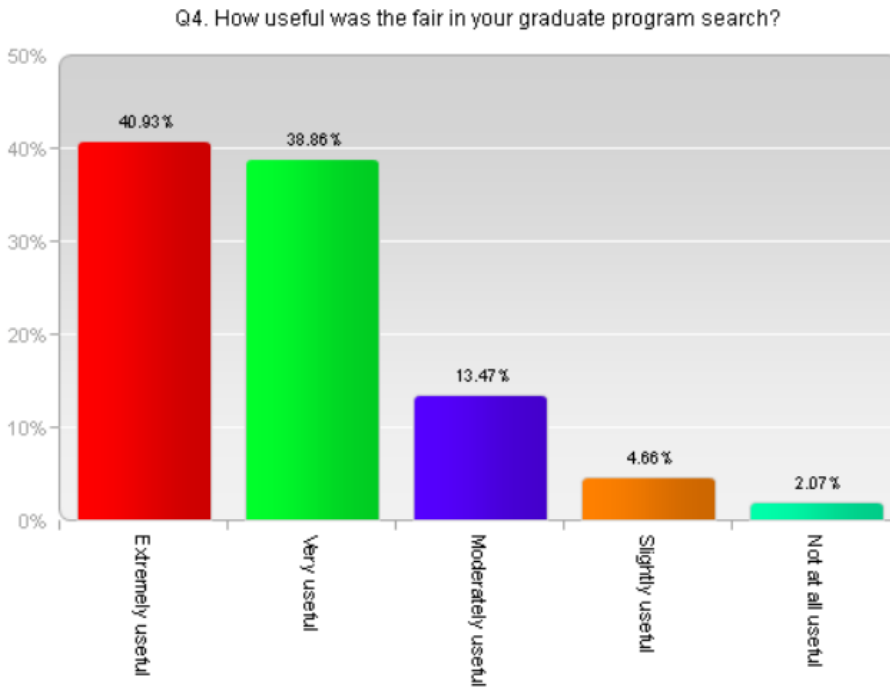

There were 261 attendees, the majority UTEP students, with 1 attendee from the community. Students from various colleges within UTEP attended the fair. Among these, the College of Science took the lead with 43% of students, followed by the College of Liberal Arts with 24% and the College of Engineering with 12%.

In a survey given to the students, after attending the fair, we found that:

91% would recommend the fair to other students

83% of students learned about a new Graduate Program while they attended the fair

79% stated they found it a useful or very useful experience

**92%**

Of students found at least one institution that offers their intended major

**83%**

Of students learned about new graduate programs they didn't know about previously

### Breakdown of Registered Schools:

- 37 General Graduate Schools
- 19 Medical Professions Schools
- 23 Law Schools

In another survey, by the attending recruiters:

85% of 62 submitted responses indicated the Fair was above average or excellent; 1% rated it below average.
