Accomplishment Statements

Accomplishment Statements are the statements in the experience section of your résumé that highlight your relevant skills, abilities, and/or contributions to an organization. Statements should include an action and a result listed with bullet points.

Start with a verb to emphasize a skill (result) then add how you accomplished the result (action).

It is important to tailor your statements to the job description and include measurable data as much as possible.

See examples of accomplishment statements in the “Experience Section” on page one.
