UTEP STUDENT ORGANIZATIONS

Aspiring Occupational Therapy Student Association
AOTSA aims to serve as a resource group for UTEP students who plan on applying to a post-graduate Occupational Therapy (OT) program. AOTSA will provide members with professional development opportunities that will help acquire the skills, knowledge, attitudes, and values required to succeed in academia and as an Occupational Therapist.

American Occupational Therapy Association Assembly of Student Delegates
The Assembly of Student Delegates provides a mechanism for the expression of student concerns, and offers a means whereby students can have effective input into AOTA affairs.

Student Association of Rehabilitation Sciences (STARS)
To provide additional learning and leadership opportunities on and off campus for students who are members of the rehabilitation sciences department or professional students earning advanced degrees in rehabilitation sciences.

Health Occupations Students of America
HOSA provides a unique program of leadership development, motivation, and recognition exclusively for secondary, postsecondary, adult, and collegiate students enrolled in health science education and biomedical science programs or have interests in pursuing careers in health professions.

PROFESSIONAL ORGANIZATIONS

American Occupational Therapy Association
The American Occupational Therapy Association (AOTA) is the national professional association established in 1917 to represent the interests and concerns of occupational therapy practitioners and students and improve the quality of occupational therapy services.

Texas Occupational Therapy Association
The Texas Occupational Therapy Association was established for the benefit of professionals and students of occupational therapy. Membership services include public relations materials, legislative information, practice forum, educational meetings and student services.

American Occupational Therapy Foundation
The American Occupational Therapy Foundation is a charitable, non-profit organization created to advance the science of occupational therapy and increase public understanding of its value.

National Rehabilitation Association
NRA members work to eliminate barriers and increase employment opportunities for people with disabilities. We provide our members opportunities for advocacy and increased awareness of issues through professional development and access to current research topics. Together, we work towards a
society where there are no barriers, environmental or attitudinal, to full employment and participation in life.
