2019 UTEP CHEER CAMP

Competition Guidelines and Awards

Home Routine Competition: Teams will have the opportunity to participate in an OPTIONAL Home Routine Competition to be held on the second day of camp. The idea is to give teams the opportunity to showcase routines that they have previously worked on and to perform in front of an audience. Teams have a three (3) minute time limit during which they can choose to do any combination of cheer, dance, jumps, stunts, and tumbling to words and/or music. We ask that each team and their coaches follow their respective governing guidelines depending on the organization they adhere to. Coaches are responsible for being sure that their team is ready to perform any stunts or tumbling that is in the routine and that they are covered, in terms of liability, as coaches for including those skills in the routine. If you are using music, please have a CD and/or IPod available and a representative at the music station when the team is ready to perform. Teams wishing to participate should sign up by the end of the first day of camp.

Jump Contest: Campers will have the opportunity to participate in an OPTIONAL Jump Contest to be held on the second day of camp. Each team can enter two (2) participants per level that they have on their particular team. Levels include Youth (3rd grade or below), Elementary (Grades 4th -6th), Middle School (Grades 7th & 8th) and High School (Grades 9th- 12th). If a team has multiple grade levels on their squad, they can enter two participants at each level. The participants will have to perform any jump or combination of jumps that the judges request. Participants do not need to sign up. They will be called to the tunnel prior to the competition.

All-Star Cheerleader Competition: Campers will have the opportunity to participate in an OPTIONAL All Star Cheerleader Competition to be held on the last day of camp. Same as jump contest, each team can enter two (2) participants per level that they have on their particular team. Levels include Youth (3rd Grade or below), Elementary (Grades 4th -6th), Middle School (Grades 7th & 8th) and High School (Grades 9th- 12th). If a team has multiple grade levels on their squad, they can enter two participants at each level. The participants will have to perform the camp cheer as taught originally with UTEP words, a tumbling pass (minimum requirement is back handspring for middle and high school), a toe touch, and any other skill or camp material that the judges request. Participants do not need to sign up. They will be called to the tunnel prior to the competition.
Final Evaluation: Teams will be evaluated on the final day of camp. Teams will be evaluated on the Camp Cheer (with incorporations). The teams will receive individual ribbons based on their performance.

Divisions for Evaluations and Home Routines*:

1.) Youth 6th grade and younger
2.) OPEN 12th grade and younger
3.) Elementary School (Mount or Non Mount) Grades Pre-K – 6th
4.) Junior High/Middle School (Mount or Non Mount) Grades 7th – 8th
5.) High School (Mount or Non Mount) Grades 9th – 12th

UTEP Cheer Camp personnel reserve the right to delete, combine, or divide categories and divisions as deemed necessary. If categories are altered, adjustments will be made in the awards.

Certification of Recognition: Given to teams who worked hard all week and who worked well together as a team in attaining their goals for camp.

Spirit Sticks: Given at the end of camp each day to teams who display lots of enthusiasm & spirit, but also a great attitude in the different classes & sessions. Teams bring them back the following day. Those who get them on the final day of camp may keep them.

Most Spirited: Based on the same criteria as the Spirit Sticks, but given to one team who was exemplary throughout camp.

Miner Sportsmanship Award: Voted on by the teams at camp and given to the squad that they saw throughout the week working well together and being supportive and friendly to other teams at camp.

Hardest Workers: Awarded to the team that the UTEP Cheerleaders felt worked hard all week in the different workshops and working together as a team to prepare for evaluations.

Top Team: A Top Team will be selected in each division. The selection will be based on their performance throughout camp and largely on their performance in the Final Cheer Evaluation. It will not take the Home Routine into account. These teams will be invited to perform during halftime at a UTEP Men’s or Women’s Basketball Game (dependent on UTEP Marketing schedule of events for halftime).
