GENERAL INFORMATION

ELIGIBILITY
Entrants must be registered students at the school they are representing and official full-time members of their team at the
time of competition. No members shall be older than 12th grade/ or 18 years of age for All-Star division. Other grade
and age restrictions apply (See Divisions). The penalty for an eligibility violation will be disqualification.

CATEGORIES/DIVISIONS
UTEP’s competition personnel reserve the right to delete, combine, or divide categories and divisions as deemed
necessary. If categories/divisions are altered, adjustments will be made in the awards.

MUSIC
**Please adhere to the copy right laws for music selections. There will be IPOD, IPHONE and Smart Phone capability. A
sound system will be provided. Speed control is not available. Music checks on the main sound system are not permitted. A
representative must be present at the sound system at the time of performance. Advisors/coaches are asked to hold onto their
own music until the time of performance and to take music back following the performance.

ENTRANCE/EXIT
Judges are not looking at team’s entrances and exits. Teams and individuals are encouraged to move on and off the floor
as quickly as possible. Choreographed entrances and exits will not be judged.

PERFORMANCE AREA
The performance boundaries will be limited to a carpet bonded foam mat that measures 54’ wide (side to side) x 42’ deep
(front to back). This is not a spring floor. There will be no practicing on the performance floor prior to the competition. (A 54’
X 42’ practice mat will be available for your use during your 3 minute assigned warm up time.) All stunts and tumbling
must be completed on the mat. You will not receive a penalty if you step off of the mat, but for everyone’s safety, please
stay on mat.

PERFORMANCE ORDER/SCHEDULES
Typically, performance order is based on the receipt of registrations. Teams that register by February 12th will be the last
to perform in that division and teams that register after February 12th will be the first to perform (team names will be
drawn). Adjustments may be necessary due to division/team conflicts.
All teams will receive an assigned check-in and warm-up time via email by Friday before the competition. A warm
up area will be available with a 54’ X 42’ mat that you may use only during your assigned times. It is a good idea
to stretch, warm up some elements, and mark through your routine before your assigned practice mat time. This
should take place in the designated warm up area where the practice mat is located. Remember, you will only be
allowed on the practice mat for 3 minutes. No exceptions.

FOOD
Concessions will be available on the East concourse. Food and or drinks will not be allowed on
or close to the competition and/or practice mats.

GENERAL ADMISSION
Three free passes will be allotted to each school/team for advisors and/or coaches at registration. Additional tickets for
advisors and/or coaches may be purchased at the check in table on competition day. Pre-sale tickets for the general
public will be available for $8 at the UTEP Ticket Office on Mesa in front of the Don Haskins Center. (They
will be $10 on the day of the event.)

FORMS
All competitors must submit a Minor Participant Form (waiver)- last page of this packet in order to compete. The host
facility, the directors/sponsors and/or UTEP will not be responsible or held liable for any injuries occurring at the
competition. A trainer will be on site to provide assistance for emergencies only. Taping of wrists/ankles for individual performers will not be provided, unless medically necessary to treat an injury.

A) Safety Rules

** See attached deductions score sheet**

Coaches cannot act as spotters. There will be a 5 point penalty if a coach, who is not a full time team member, takes the performance floor with the team. Skills that cannot be safely executed with existing spotters from the team should not be included in the routine.

B) Time

Total Routine Time Limit will be 2 minutes and 30 seconds. All Star Divisions can use all music. Other divisions can combine music and cheer for a combined time of 2 minutes and 30 seconds. Game Day time limit is 3 minutes. Timing will begin on the first note of music, the first vocal command, the first organized cheer or the first movement, and will stop with the end of the cheer or last note of the music. Choreographed entrances and exits will not be judged. Music is defined as any recorded sound amplified through the competition sound system. Due to variability in sound systems, you should build in leeway in your routine to avoid timing penalties.

Penalties will be deducted for going over the total routine time limit.

Penalties will be assessed as follows:
0-4 seconds over = no penalty
5-9 seconds over = .25 point deduction
10-14 seconds over = .50 point deduction
15+ seconds over = 1.0 point deduction

C) Performance Order/Division Changes

It is the advisor's/coach's responsibility to check all performance schedules for accuracy prior to the team taking the performance floor.

**All cross-over participants must be disclosed when registering team to Coach Bianca; otherwise, changes will not be made once performance order is released**

All changes to your original competition registration must be put in writing and handed to the competition director prior to the competition. Division changes will not be made after the Walk-up Registration on February 19th. A team knowingly performing in an incorrect division will be disqualified from competition, but may perform for evaluation (exhibition) purposes only. Division changes will not be allowed day of competition. Please verify you have registered in the correct division.

D) Uniforms

In all divisions, a school uniform that is worn for game/sideline cheering or performing must be worn (i.e. skirt and top). Costuming is not allowed. If an accessory or an article of clothing adds to the overall effect and/or theme of the routine, it will be considered “costuming”. A deduction of 1 point will be issued if “costuming” is used.

Props are allowed. Acceptable props are hand-held signs/banner, flags, poms or megaphones. Any item outside the acceptable “props” will not be permitted and a 1 point deduction will be assessed. Lucky charms (ex. stuffed animals) can be placed out in front of the performance mat (not on the mat)—they should be no larger than 2’ x 2’ and should not interfere or be a safety hazard to participants (especially tumblers).

Shoes - All participants must wear shoes. This is a safety rule and if a violation occurs, 1 point will be deducted from the final team score. All footwear must have soft soles and be non-marking. A deduction of 1 points will occur if a member on your team is wearing jewelry. (This was noted as a warning to many teams last year.)

E) Appropriateness of Choreography, Music, and Outfitting - All facets of a performance or routine, including choreography, music selection and outfitting, should be suitable for family viewing and listening. Uniforms for all team types should be appropriate for the age of the participants performing the routine.
In general, performances from school-based teams, including but not limited to the actual routine, signs, cheers, chants and hand signals/gestures, should adhere to outfitting, performance and music guidelines and criteria in place and approved by the administration or institution to which the school team belongs.

A **1 point deduction** will be given for vulgar or suggestive choreography, which includes, but is not limited to, movements such as hip thrusting and inappropriate touching, gestures, hand/arm movements and signals, slapping, positioning of body parts and positioning to one another. Deductions will be given for music or words unsuitable for family listening, which includes, but is not limited to, swearwords and connotations of any type of sexual act or behavior, drugs, mention of specific parts of the body torso, and/or violent acts or behavior. Removing improper language or words from a song and replacing with sound effects or other words constitutes inappropriate, and deductions will be made accordingly. Any uniform or music in which the appropriateness is questionable or with which uncertainty exists should be submitted to the competition director for approval.

**UTEP Individual Cheerleading Championship**

**General Requirements:**
Each participant will perform the following in this order: 1) three consecutive jumps, 2) one tumbling pass, and 3) a cheer
Overall performance may not exceed 90 seconds. **Music is not allowed.** A partner may not be used during the performance. Judging is based on voice projection, showmanship, cheer execution, spirit, and ability in the areas of jumps and tumbling, as well as overall impression. There is a **five-trick limit** (jumps, gymnastics, splits) in your cheer performance. A back handspring back tuck, toe touch back handspring, or round-off back tuck are each considered two tricks. There will be a .5 penalty if more than five tricks are performed in your cheer and a separate .5 penalty if the routine exceeds the time limit. There will be four categories:

**Youth**: 3rd grade and below  
**Elementary**: 4th – 6th grade  
**Middle School**: 7th - 8th grade  
**High School**: 9th - 12th grade

Males and females will compete in the same division based on grade. There is no limit as to how many individuals may enter from a team.

**REMINDER**
- Coaches will have the opportunity for a Final Walk-Up registration.
- Final Walk-up Registration is on Wednesday, February 19th from 5:30 to 7pm in the lobby area of Memorial Gym on UTEP Campus (Corner of Robinson and Randolph).
- Any missing forms must be turned in at this time.
