Date: February 24, 2017

Location: Student Union East 3rd Floor

UTEP L.I.V.E. is a university-wide student leadership conference intended to engage students to get involved in organizations and support university initiatives. In addition to partnerships with campus departments and colleges, UTEP L.I.V.E. collaborates with El Paso community partners to ensure a community leader perspective for its participants. The conference is organized by a student-run planning committee who dedicate six months to creating and developing the conference. This team dedicates their time to assist in the creation of leadership development experiences students can apply in their Personal, academic, and professional lives.
