WELCOME BACK

As you return back to UTEP for the Fall 2021 semester, please review the format of your courses as they could be online or in person. If you do have courses on campus, make sure that you have a mode of transportation. You can now purchase parking permits for the 2021-2022 school year if you plan on driving yourself to UTEP.

Recently, we have been needing documentation from students to finalize scholarships, so please check your email and send in the requested documents if you have not done so already.

If you need help on campus, feel free to stop by our office and we will be happy to help you! Stay safe Miners!
