### STUDENT SPOTLIGHT

Attending UTEP while being in High School is a great accomplishment! Hence, we want to recognize your achievements as Early College Students! We also want to recognize the achievements of ECHS alumni who are currently UTEP students!

We have created a Google Form for you to submit the names of students who you think have gone above and beyond in their life! We will select the students and share their stories over social media and in the next month's newsletter!

We look forward to reading your submissions! You can access this form in our Instagram Bio!
