ECHS students, if you have any questions about being an early college student at UTEP while being a high school student at the same time, you can ask our undergraduate research assistants, Stacy and Jessica, for any advice! We hope to see you soon!

STUDENT SPOTLIGHT

Attending UTEP while being in High School is a great accomplishment! Hence, we want to recognize your achievements as Early College Students! We also want to recognize the achievements of ECHS alumni who are currently UTEP students!

We have created a Google Form for you to submit the names of students who you think have gone above and beyond in their life! We will select the students and share their stories over social media and in the next month's newsletter!

We look forward to reading your submissions! You can access this form in our [Instagram Bio](#)!
