STUDENT SPOTLIGHT

Attending UTEP while being in High School is a great accomplishment! Hence, we want to recognize your achievements as Early College Students!

We also want to recognize the achievements of ECHS alumni who are currently UTEP students!

We have created a Microsoft Form for you to submit the names of students who you think have gone above and beyond in their life! We will select the students and share their stories over social media and in the next month’s newsletter! You can click here or check out our bio on our Instagram account. We look forward to reading your submissions!

6 HABITS TO BE SUCCESSFUL

TAKE ADVANTAGE OF OFFICE HOURS
Don’t be afraid to ask your professors for help. They are here to help you succeed.

NETWORK
Create study groups with your classmates. This method can help you solidify course material and offer valuable support.

STAY ORGANIZED
Be mindful of due dates. If it helps, write down important dates on a planner or on your phone’s calendar.

USE RESOURCES
UTEP offers many resources to help you throughout the semester. Take advantage!

TAKE BREAKS AND GET ENOUGH SLEEP
It is difficult to work from a place of exhaustion. Take a walk, play some music, and make sure you get enough sleep.

ESTABLISH A STUDY ZONE
Set up a zone where you can work best. Find an area at home or at campus which helps you focus.
