STUDENT SPOTLIGHT OF THE MONTH: CATHERINE WASHINGTON

Northwest Early College High School C/O 2019

English & American Literature, Philosophy

Catherine is dedicated towards achieving her educational goals since she was in high school. In 2019, she graduated Top 10% of her class and has continued to grow as an individual! Additionally, she was a Senator At-Large for UTEP's Student Government Association and was the Chair for Sustainability and co-Chair of Student Application Review Committee. Catherine has managed her time well as she also has interned in the El Paso Municipal Court Teen Court Program and mentored students from NWECHS for their Mock Trial and Debate Team. Other than completing the Law School Preparation Institute phases I and II in the summer, she will intern in Washington D.C. in the Fall as an Archer Fellow. The ECHS Academic Success Center is proud of her accomplishments thus far!

"The ECHS Accelerated Program allowed me to attend UTEP as a high school senior, which gave me early experience adapting to university-level course work without worrying about an extra financial burden. Thanks to that experience, I already knew some of my professors when I started full-time at UTEP, knew how I would be expected to manage my time, and made connections with other students in my major."
