STUDENT SPOTLIGHT:

AMERICA Y. ALVIDREZ CAMACHO
MISSION EARLY COLLEGE HIGH SCHOOL C/O ’19
MAJOR: CELLULAR AND MOLECULAR BIOCHEMISTRY

America is a devoted student who is involved at UTEP! She has joined several organizations such as Medical Professions Organization (MPO), Minority Association of Pre-Medical Students (MAPS), and Society of Women in Science (SWS). As a student, she has been focusing on immunology and molecular research such as cytokine pathways, immune disorders, tyrosine kinases and transcription factors. America has had the privilege on presenting her research at different conferences: 2021 Gulf Coast Undergraduate Research Symposium and more. We are proud of her work here at UTEP and hope for the best on her journey to Medical school!

FINALS:
Good luck to everyone who is taking finals this week! Another great semester at UTEP is coming to an end! If you have not registered for Spring 2022, remember to do it as soon as possible. Please contact us if you are experiencing problems registering!
