

# Household Size Verification Worksheet Dependent

Student's Name: \_\_\_\_\_ Student ID: \_\_\_\_\_

On the verification worksheet, you reported individuals in the household size who may be reported in error. When reporting people in the household size section of the verification worksheet, you should only include individuals who receive more that 50% of their financial support from your parents.

Extended family members or other individuals (such as your adult siblings, nieces, nephews, etc.) may be included only if they live with your parents AND receive more than half their support from your parents during the school year. If extended family members are:

- Working/employed/self-employed
- Receiving means-tested benefits (SNAP, TANF, WIC, subsidized housing, etc.)
- Receiving pensions/retirement
- Receive Social Security Income or Disability payments

**To claim you support an individual who is receiving any of the benefits listed above, your total financial support must exceed the amount they receive from these sources. Please consider these sources of income carefully before claiming that you support extended family members or other individuals more than 50%.**
